## DISCIPLESHIP PROCESS AT FAITH EFC

**Know (Christ)** Knowing God has two sides: Doctrine and devotion.

Doctrine involves intellectual knowledge. Comes as we learn more truths about who God is and what He has accomplished in saving us.

Devotion involves relational knowledge. As we grow closer to the Lord through prayer, worship, Bible study, obedience, and trust.

**Grow (In Christ)** The Christian life has a goal - maturity in the faith. Maturity looks like deep love, faith, knowledge, commitment to evangelism and service. It involves a deeper desire for purity. Growing in our faith happens best in community, when we meet regularly together and encourage each other toward greater trust of and commitment to Christ.

## YOUTH MINISTRY

Hello, Church Family! I can't believe it is almost spring! So many fun things happened this winter! In January we took a group of students over to Green Bay to attend the annual Districts Youth Conference. In February, the ladies in our youth group gathered together for a Charcuterie Day. The Annual Youth Lock-In was also in February and was a great success. In the evening of February 28th, 30 students gathered together from the hours of 8:00-6:30 to play games, worship, and fellowship with one another. I'm looking forward to the spring/summer season and all that God will do during these next few months. Some exciting things are coming up, including the Wyoming KidzKamp Mission Trip happening in July. This missions trip is church-wide and open to all. If you want to know more, there will be an informational meeting on Sunday, March 23rd after church. If you have any questions, don't hesitate to reach out.

## KID'S MINISTRY

Spring is on the horizon, and I am busy planning all the spring and summer events. Some of the things coming up to watch for is a Money War to raise funds for Operation Christmas Child shipping and supplies for the upcoming year. You will definitely want to be a part of this. It will be so much fun.

We will also be hosting a Pinewood Derby Race at the middle school gym May 10th and we will be opening up to any children, youth or adults who would also like to design a car and race that day. Keep an eye out for upcoming workshop dates. This is always such a fun family event.

Anyone ever been to Alaska? I hear it is beautiful. We will be heading to the True North for Vacation Bible School this summer. Mark your calendars for June 22-26th for ages 3 years up to going into 5th.

We will be teaching children to trust Jesus in a Wild World. If interested in helping with this event in any way please let me know. As always if you can any questions, please feel free to reach out. Thank you for letting me be apart of your children's lives in such a BIG way.
