Message: What a way to Live – Philippians 1:12-21

A lifestyle to choose:

1. Confident, Even though a Victim (1:12-14)
2. Joyful, despite others (1:15-18)
3. Hopeful, regardless of uncertainties (1;19-20)
4. Contented, because Christ was central

Three Impacting realities

When Christ is Central...

- a. He broadens the dimensions of our circumstances
- b. He delivers us from a preoccupation with others
- c. He calms our fears regarding ourselves and our future
