

Inquiry Form

This form is filled out with the intent to purchase a puppy from an upcoming litter. After we review your inquiry form, I will respond with a deposit request. Your \$500 deposit will hold your space in order of receipt. I will accept up to four deposits on a planned litter. This inquiry form helps me determine your knowledge about the breed and your preferences. Your responses will help me match a puppy's temperament to your family.

Puppies will be registered CKC. All pet puppies are sold on **non-breeding contracts** with a three-year genetic health guarantee. Puppies purchased with full registration to compete in conformation will be co-owned with the breeder until terms of show/breed contract are fulfilled.

All puppies will go home with their first set of vaccinations, health check, microchip with lifetime registration, flash drive with health records of parents, lots of puppy pictures, pedigree, and puppy care resources. Puppy starter package includes: *Canadian Naturals kibble*, toys, blanket, bowl, leash and collar.

Our litters are planned with the primary goal of producing healthy puppies with correct temperament, structure, and a biddable nature. Puppies are raised on a mixture of high-quality kibble and raw. We provide our puppies with early neurological stimulation and a clean, active, fun-filled, stimulating environment with plenty of socialization, positive manners training, and lots of love and cuddles.
