

Inquiry Form

This form is filled out with the intent to purchase a puppy from an upcoming planned litter. It will hold a place for you in order of receipt for a future litter and when the litter is confirmed, you will be contacted to confirm your intent with a deposit. I will accept up to four deposits on each litter. Please fill in the short questionnaire so that I can have an idea of what you are looking for in a puppy, your experience with this breed, and to assist in matching you with the correct temperament.

This litter will be registered as Miniature American Shepherds with CKC, Canadian Kennel Club. All pet puppies are sold on non-breeding contracts with a three-year genetic health guarantee. If you are interested in a show/breed prospect or would consider co-owning or offering a guardian home, please note this in the comments section at the end.

All puppies will go home with their first set of vaccinations, health check, microchip with lifetime registration (Microchips 4 Solutions), and a flash drive with health records of parents, lots of puppy pictures, 5 generation pedigree and puppy care resource information. The puppy starter package includes: starter puppy food (raw or kibble), toys, blanket, bowl, leash and collar.

Our litters are planned with the primary goal of producing healthy puppies with correct temperament, structure, and a biddable nature. We provide our puppies with early neurological stimulation, a clean, active, fun filled, stimulating environment; with plenty of socialization, positive manners training and lots of love and cuddles.
