

A Positive Song

Music and lyrics by Paul Turner

Intro: **G** // **G** **G**

[Chorus]

G **D/f#**
We gotta keep a chin up, we gotta keep a positive thought
C / **G** **D7**
We gotta keep a clear head so those good thoughts can flow right on through
G **D/f#**
We gotta keep our hands busy busy busy doin' something good
C **D** **D7** **G**
Cause no matter what's goin' on We can sing a positive song (Come on)

Bridge 1:

Gm / **Cm** **Gm**
But we're livin' in a time of uncertainty
Dm **D7** **G** /
The worst part is the part we can't see
Gm / **Cm** **Gm**
It's called fear and we know it's all around
Dm **D7** **G** **D7**
But we can beat that fear soundly with this sound

Interlude:

Em **G** **Em**
Sing a positive song Sing a positive song Oh, yeah

Bridge 2:

G **Em**
I've heard it all my life and I believe it's true
C **D**
We are what we think and it shows in what we do
G **Em**
When the stuff hits the fan as we know it can
C (**D**) **D#0** **E0**
It goes everywhere and then then when that stuff settles
F0 **F#0** **G0** **G#0**
It gets kind of obvious, no, it's pretty obvious, OK it's real obvious
C **D** **G** **C** **c#** **D7**
If we're a part of the solution or a part of the pollution

[Chorus] "DID you keep your chin up...."

[Last Chorus] "So let's keep our chin up, let's keep a positive thought..."
