Bm A E /
 No one in their right mind saw this comin'
 Bm A E /
 No one's left brain imagined it would look this way
 F#m G D /
 And no one's pet ever thought they'd see'em runnin'
 Bm A E /
 But here we are runnin' from today

Intro (w/ oohs)

There are pictures in our minds we call them memories
 Of yesterday and the days before
 But we open our eyes to the world around us
 What used to be crazy isn't crazy anymore

Chorus:

A Asus A E
 (So) How's it feel to be livin' in Crazytown
 G D
 Doin' all the (crazy) stuff we never thought we'd have
 A Asus A E
 Usin' what we've been given here in Crazytown
 C G D
 Sometimes (it's so crazy) all we can do is laugh repeat line

Instrumental Verse (over oohs)

Bm A E / Bm Asus A E
 Let's all go down to Crazytown yeah, let's all go down to Crazytown

At least we're all livin' in Crazytown together
 No one ever wants to come here alone
 And while we're wonderin' what's just around the corner
 We're all prayin' that Crazytown isn't our new home
