

Intro: *Drums (4 bars)* *Add Bass* *Gtr power chords:* E D E D D

e d c# b a a g# a b e E Esus / Em-E E Esus / Em-E

My how time sure flies when I'm havin' fun

There's just no excuse when I'm havin' none

A / F# B

I know there's no better way than to pick up my axe and start to play

e d c# b a a g# a b e E Esus / E Esus / E

Then I start to see time a - flyin' away

Interlude:

Strum: E/g# // D/f# A A-B / E/g# // D/f# A D-E /

Pick: E/g# // D/f# A A-B / E/g# // D/f# A E D C B A B C B A G E

Sometimes there's a tune stickin' in my head

Just goes round and round til I go up to bed

Used to try to lose the song, but now I try to play along

It's just one more chance to let time fly away

Bridge:

G A E (*triplets: e f# g# a*) e d c# b a

Everyday I do what I gotta do

G A B Bsus B /

I've got to keep on workin' til my work is through

E B D A - - E B D A - -

Finish fast so I can play makin' music makes my day

E B D A B / A A# B

And like a bird and time I can fly away when I play

Intro

Instrumental Verse

There's so many songs makes it hard to choose

Rock, pop, country, soul, funk or rhythm & blues

So much music and so little time so many songs but this one's mine

Play on wings of music & time flies away

Tag:

e d c# b a a g# g# a b E / a b e E

Play on wings of music & time flies away (*w/ repeat delay*) time flies a - way
