Em
Let me introduce to you the world's easiest song to play
Am Em
Let me introduce to you the world's easiest song to play
Am D6
Why put it off til tomorrow what you can play to - day?
Em Em / / / **Riff:** (see tab)
Let me introduce to you the world's easiest song to play

How can such a simple song simply be so good **repeat line**
You would have played it before if you only thought you could
How can such a simple song simply be so good

Bridge:

Am Em
It's such an easy song we might get lost
D6 Em
If we start thinkin' about something' else
Am Em
It's such an easy song it almost plays itself
B7 / B7
But if it played itself then it wouldn't need us!

Every time I play this song I can't help but smile **repeat line**
So every time I play it once I play it for a while
Every time I play this song I can't help but smile

It's such a simple song you'll want to show it to your friends **repeat line**
When you can really play it good you won't have to pretend
It's such a simple song you'll want to show it to your friends

Bridge

But the easiest song to play is the hardest song to stop **repeat line**
And you never have to finish, you just take it again from the top
But the easiest song to play is the hardest song to stop

B7 B7 Em Em
But it's really not the easiest song to play That's just its name
