

Intro: Guitar: *Riff (see tab) 4X* w/band 4X

e g A D A
 I know you you got something something on your mind
 E E7
 You can't hide from me I can't believe that you're even tryin'
 e g A D A
 You know me much too well and you know I can always tell
 A E D D7 A Riff
 I ain't blind you got something something on your mind

e g A D A
 I got time yeah, I got time I got all the time it takes
 E E7
 And I'm here for you and I know when your heart aches
 e g A D A
 Yes I know when you're hearting my heart starts to break
 A E D D7 A A7 walk up
 But you don't need to worry I got all the time it takes

Chorus:

D / A /
 You got something something for me
 D D7 A /
 I got something for you something that you need
 D D#0 A a g# g F# F#7
 You've got everything I've been trying to find
 Bm c# d d# E E7 D A Riff
 You've got something I've got on my mind

Instrumental Verse & Chorus & Riff 2X

e g A D A
 You and me we can be something that just might work
 E E7
 Cause sometimes life gives us better than we deserve
 e g A D A
 And we know that it's true when love does what it should
 A E D D7 A A7 walk up
 And when it keeps on growin' between us we'll have something good

Chorus
