

LC Motors Referral Bonus Program

We appreciate your loyalty and enthusiasm in helping us grow our community. Please review the following rules and guidelines for our \$100 referral bonus program:

1. Eligibility

- The referral bonus is available exclusively to **current and past customers of LC Motors**.
- Only one referral bonus can be claimed for each referred customer who purchases a vehicle.

2. Referral Process

- LC Motors must be notified of the referral **before or during** the sale of the vehicle.
- We ask for referral information on the credit application. Referrals can be made by sharing the name and contact information of the individual you're referring to our team.

3. Referral Bonus Application

- **Current Customers:** If you have a current account with LC Motors, the \$100 referral bonus will be **deducted from your next payment**.
- **Returning Customers:** If you are a past customer of LC Motors and purchase a new vehicle for yourself, the referral bonus will be **deducted from your next payment**.
- **Past Customers:** If you are a past customer of LC Motors, the \$100 referral bonus will be given in **cash** after the referred customer completes their vehicle purchase.

5. Exclusions

- The referral bonus cannot be claimed by customers whose vehicles have been repossessed.
- Referrals claimed 30 days or more after the sale is complete will not be eligible for a bonus.

6. Additional Terms

- LC Motors reserves the right to modify or cancel the Referral Bonus Program at any time without prior notice.
- Referral bonuses are non-transferable and cannot be redeemed for any other form of payment unless otherwise specified.

7. Notification

- It is the responsibility of the referring customer to ensure that LC Motors is notified of the referral prior to or during the sale of the referred customer's vehicle. Failure to notify LC Motors may result in the referral bonus being disqualified.
