We **all** have a role to play in preventing firearm-related harms

Goal

FIP-LEAD hopes to build a generation of **multidisciplinary leaders** who can inspire action and integrate firearm injury prevention efforts in their organizations and communities.

Impact

Those that complete FIP-LEAD will have the knowledge, skills, and confidence to lead their organizations in implementing firearm injury prevention efforts that are grounded in science, relevant for their professional and community context, and respectful of the diverse opinions and lived experiences that surround firearm culture in CO.

Register for our next workshop!

Eligible: Emergency department and trauma surgery health care providers (e.g., MD/DO, PA, NP, RN, EMT, LCSW)

Date: February 17, 2026; 8:30 AM to 4:00 PM MT

Location: University of Colorado Anschutz Medical Campus

Breakfast and lunch provided. Free to attend.
