

Trauma /Pediatric: Instructor Candidate and Evaluator Resource TP-ICER

To complete the process of becoming a TNCC/ENPC Instructor, a Trauma & Pediatrics Committee Member or qualified designee must evaluate the instructor candidate's ability while lecturing, teaching & testing. Monitoring of Instructor Candidates by State Faculty is preferred. However, when unavailable, an approved TP-ICER may perform that duty.

- TP-ICER permission will be for one-time permission only
- The TP-ICER to Candidate ratio is 1:1
- A TP-ICER who has monitored candidates on two separate occasions will be granted full permission and no longer need to complete this form

The Course Director must:

- Be an experienced course director who regularly course directs (at least two [2] courses per year)
- Have directed at least four (4) provider courses prior to acting as a TP-ICER
- Have Quality Assurance evaluation scores of 3.5 or better at the time of the application review
- Review the Instructor Candidates Performance Report.
- Submit this application and receive approval prior to monitoring and Instructor Candidate.
 - Without approval, the candidate will be required to remonitor a second time.

	Initial here to confirm that you understand and meet the above requirements.
Initials	

Applications should be submitted to:

Eric Christensen BSN, RN, CEN, CPEN, FAEN Colorado ENA Trauma Chair TNCC@ColoradoENA.org	Kati Stolz-Grinding MSN, RN, CPEN Colorado ENA Pediatrics Chair ENPC@ColoradoENA.org
