ABOUT YOUR INSTRUCTOR

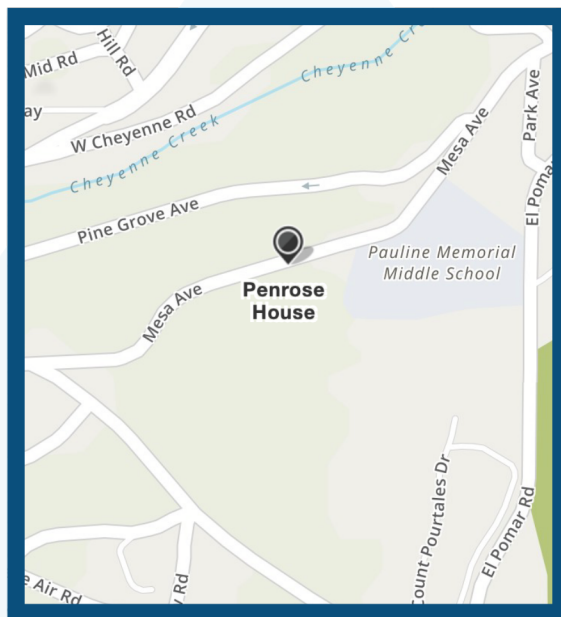

Jeff Solheim

MSN RN CEN TCRN CFRN FAEN

Jeff Solheim has been a leader in healthcare education for more than twenty years. He has spoken to audiences around the world and has been invited to speak at the International Emergency Care Conference in Gold Coast, Australia and the National Emergency Nurses Association Convention here in the United States.

Currently residing in West Linn, Oregon, Jeff brings a broad range of experience in nursing to the classroom. He has served as a staff nurse, flight nurse, nursing administration, trauma coordinator, nurse educator and state surveyor during his career. His educational principles are reinforced by his Master's Degree in Nursing Education.

In addition, Jeff served as the Executive Director and Founder of Project Helping Hands (PHH), a non-profit that sent medical teams to the poorest regions of the planet. Whether they were in the jungles of Peru or the villages of Uganda, Jeff and his teams actively sought to serve those that were most in need. Jeff calls it an "adventure with heart".
