

Trauma / Pediatric: Instructor Candidate and Evaluator Resource
(TP-ICER)
V 8: 2024

In order to complete the process of becoming a TNCC/ENPC Instructor, a TNCC or ENPC Committee Member or qualified designee must evaluate the instructor candidate's ability while lecturing, teaching & testing. Based upon our increase in individuals taking instructor courses, at times we have difficulty monitoring all of our Instructor candidates. As we are challenged to develop a list of qualified Course Directors to assist with the monitoring of instructor candidates, our Colorado ENA TNCC and ENPC committee has developed a process for meeting this need. The first choice for monitoring Instructor Candidates will always be state faculty. However, when unavailable, an approved TP-ICER may perform that duty.

You have expressed an interest in becoming a TP-ICER. If you are a qualified, experienced TNCC/ENPC Director that should be considered by the Trauma / Pediatric Committee to fill this role, please complete the following application electronically and e-mail to the following:

Eric Christensen BSN, RN, CEN, CPEN, FAEN Colorado ENA Trauma Chair TNCC@ColoradoENA.org 303-947-6186	Kati Stolz-Grindinger MSN, RN, CPEN Colorado ENA Pediatrics Chair ENPC@ColoradoENA.org 719-357-2582
---	---

TP-ICER criteria that will be used in the selection process of the applicants is listed below.
The Course Director must:

1. Be an experienced course director who regularly course directs (at least two courses per year)
2. Have directed at least 4 provider courses prior to acting as a TP-ICER
3. Have Quality Assurance evaluation scores of 3.5 or better at the time of the application review
4. **If approved, TP-ICER permission will be for one time permission only.**
5. **If approved, I understand that the TP-ICER / Candidate ratio is 1:1**
6. TP-ICERs who have monitored candidates on two separate occasions will be granted full permission and no longer need to complete this form. It is recommended to save a copy prior to submission.

	Initial here to confirm that you understand and meet the requirements above:
