## From Water Sports Owner, Paul Pelletier:

*"Diving in the Exuma Cays is unlike any other diving in the Bahamas. Every day I dive on a beautiful wall, explore new swim-throughs... And the shark dive is the best I've ever done!"*

*The boat's also great... and spacious! I've never seen a bigger dive deck and there's tons of space to hang out. The crew is awesome and always go out of their way to make sure you're having a great time!*

*Another favourite thing for me is the food. There's always lots of choice and always plenty to go around. I look forward to the food almost as much as the diving!"*

*– Paul, after his 9th trip aboard the AquaCat*
