

FIASCO 2024

Sunday 29th October 2023

New Dock Hall

Royal Armouries Museum

Leeds

When filling in the forms, please indicate if contact details can be given to members of the public who may wish to contact you Due to a large number of traders now not requiring a full complement of tables please indicate what frontage you require and number of actual tables.

Please bear in mind that each 6 foot of frontage may have a maximum of 1 front and 1 back table A Deposit Payment (min £20) is to be made via BACS, details to be sent via return email. Total payment to be made before September 30th

As in previous year our insurers would like to know which traders have public liability insurance, please indicate on the form YES/NO and the name of the provider The above information has no effect on your attendance at our show.

If you require car parking on the day you will need to use the multi-storey parking at the Royal Armouries which is payable on exit from the car park and is subject to duration of your stay.

Ware no longer able to obtain discounted car parking at the venue for our traders as we have done in the past. If you are in a large van we have limited access for parking in the service yard adjacent to New Dock Hall for which we will raise a charge of £6 collected on the day by myself or other organisers of our show.

Traders may of course continue to use street parking where available, and the club will continue to search for any available areas where parking is available for free.
