

## Industries Served

### Automotive

- Rearview mirrors (side & middle)
- Vanity mirrors
- Instrument panel displays
- GPS guidance systems

### Avionics/Aerospace and Military

- Cockpit instrument panels

- Flight simulator panels
- Flight control gauge displays
- Optical components
- Solar cells
- Test equipment
- Airport reservation kiosks

### Biomedical/Laboratory/Medical

- Medical imaging (digital X-ray panels)
- Medical instrument display panels
- Microscope slides/cover slips

### Commercial/Industrial

- Gauge level indicators
- Infrared imaging
- Inspection and testing
- Instrumentation/test equipment
- Large area computing
- Manufacturing systems
- Office machines
- Photovoltaic cells (PV)
- Sensors
- Telecommunications
- Temperature controls
- Process control

### Computer

- Entertainment systems

- Flat screen monitors
- Electronic gaming devices
- Laptop displays
- eBooks
- iPads
- Touch screen panels
- Pocket organizers

### **Cosmetic**

- Compact/cosmetic mirrors
- Vanity mirrors

### **Filter**

- Anti-reflective (AR)
- Dichroic
- Infra-red (IR)
- Polarizer
- Reflective

### **Flat Panel Display (FPD)**

- Aircraft cockpit panels
- Automotive control panels
- Smartphones and cell phones
- Digital cameras/camcorders
- Digital X-ray panels
- Digital photo frames
- E-books (EBR)
- Electronic appliances
- Global Positioning Systems (GPS)
- Flat screen monitors
- Flat panel TVs
- Industrial controls & instruments
- Medical instruments
- Mobile communications
- MP3 Players
- Navigation/guidance signs
- PDAs
- Simulation-Color Displays
- Signage
- Tools and instruments
- Toys
- Sn / STN
- AMOLED
- TFT-LCDs
- Video games

### **Lighting**

- Rearview mirrors (side & middle)
- Vanity mirrors
- Instrument panel displays
- GPS guidance systems

### **Microdisplay**

- Color correction components
- Projection panels
- Projection TVs

### **Military/Tactical/Defense**

- Instrumentation/test equipment
- Mission training touch screens
- Ruggedized battlefield displays
- Naval systems/navigation panels

### **Industries Served**

#### **Mirror**

- Cosmetic
- Electrochromic
- Front/back surface
- Scanner components
- Thermal transfer (hot/cold)
- Vehicle
- Laser components

#### **Optical Component/ Filter**

- Dichroic filters
- Front surface mirrors
- Heat transfer filters
- Laser optics/mirrors
- Lenses
- Night vision lenses
- Site windows
- Viewfinders

#### **Projection Display**

- 3D TV Monitors
- Dichroic color filters/wheels
- Ultraviolet filters
- Picoprojectors
- Mirrors
- MEMS components

### **Specialty Glass Fabrication**

- Clock front plates
- Forensic science instruments
- Glass lids
- Leveling Tools
- Microwindows
- Mini hard disks
- Photovoltaic cells (PV)
- Picture frame glass
- Sensors
- Radiation shields
- Watch lenses (flat)
- Welding helmet shields

### **Touch Panels**

- Airport check-in terminals
- ATMs
- Biometric panels
- Cell phones
- Digital clocks
- Copy machines
- Control panels (electronic gates, etc.)
- Credit card readers
- Electronic gaming devices
- Fax machines
- Gasoline pumps
- GPS Systems
- iPads
- Kiosks
- Instrument panels
- VOIP phone systems
- Travel kiosks
- PDAs
