Celebrate Cultural Connections

September 24, 2023

The Sedona Sister Cities Association is set to host its anticipated 2nd Annual Membership Brunch at the Mary D. Fisher Theatre on September 24, from 10:30 AM to 12:30 PM. Promising a delightful blend of cultures, the event will shine a spotlight on two prospective Sister Cities: Canmore, Canada, and Blessington, Ireland.

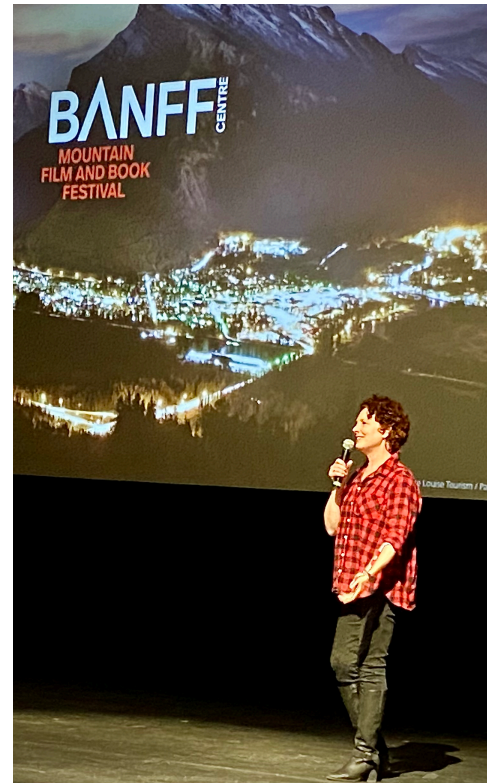

The occasion will be more than just a brunch – it will be a vibrant celebration of cultural diversity, fostering international friendships and collaborations. Attendees can expect a feast for the senses, with an array of Canadian breakfast delicacies and the soothing aroma of Irish Coffee filling the air.

Adding a musical touch to the event, the Gaelic Dogs will take the stage, infusing the atmosphere with the melodies and spirit of Irish traditions. Their performance is sure to transport attendees to the lively pubs of Ireland.

The Association has arranged for special Zoom reports from prominent figures in Canmore and Blessington. Mayor Sean Krausert of Canmore will provide insights into the potential partnership between Sedona and Canmore, Canada, while Dr. Ray Power, a leader in Blessington, Ireland, will share his thoughts on a cultural exchange between the two communities.

This unique event isn't one to be missed, as it promises to create lasting memories and connections that span borders. Event tickets are available for \$40 and can be secured through the official Sedona Sister Cities Association website at sedonasistercities.org/brunch-registration.

All proceeds from the event will contribute to the Association's ongoing efforts to foster understanding, friendship, and collaboration between Sedona and its international counterparts.
