About the Summit:

Become a Sponsor of the Third Annual Emergency Gun Violence Summit

Forward Latino and the 80% Coalition invite organizations and businesses to join us in confronting one of our most pressing public crises in our communities, gun violence. On October 15th, Milwaukee will host the Third Annual Emergency Gun Violence Summit, bringing together a cross-section of voices: community members, faith leaders, national experts, elected officials, healthcare professionals, educators, and advocates. This statewide and national convening fosters collaboration and policy innovation around gun violence prevention, addressing urban and rural challenges alike. Through workshops, panel discussions, and community dialogue, the summit will explore:

- National and local gun violence trends
- The human toll on families and communities
- The impact of gun violence on our children
- Proven community violence intervention strategies
- Legislative options
- Gun violence and domestic abuse
- Adult, Child & Veteran suicide prevention approaches
- Survivor assistance
- Faith-based violence prevention strategies
- Healthcare provider & first responder perspectives on gun violence
- Mental health and trauma care needs of survivors
- School safety

The Summit will also offer a dedicated high school student track, empowering the next generation to discuss the issue with their peers, members of law enforcement the judicial system, and much more!

Your sponsorship amplifies this critical work and will serve to create additional partnerships and relationships throughout the community.
