FORWARD LATINO APPLAUDS BIPARTISAN PROGRESS HIGHLIGHTED DURING PRESIDENT JOE BIDEN AT STATE OF THE UNION ADDRESS

Franklin, WI: Forward Latino, a non-partisan service and advocacy organization with members in 29 states issued the following statement after President Joe Biden’s 2023 State of the Union Address.

Forward Latino National President Darryl Morin issued the following statement:

“We applaud President Joe Biden and his successful efforts to pass over 300 pieces of bipartisan legislation that have strengthened our nation’s economy, our national security and our democracy. Each of these initiatives have had a substantial and positive impact on not just our nation’s Hispanic community, but in every community throughout our nation.

Tonight our nation’s Hispanic community is at near record employment rates due to the 12 million new jobs created by the President’s bipartisan efforts. This is in addition to record levels of new business startups as Latinos make up a considerable portion of the 10 million individuals who have filed applications to start new businesses. From historic progress on our economy, to the record investments in the fight against climate change which has a disproportionate effect on our community, to extended healthcare coverage for our Latino veterans who were exposed to toxic burn pits while in the service of our nation, this President working with this Congress has delivered.

Forward Latino encourages Congress to head the President’s call to work in a bipartisan manner to once and for all pass comprehensive reform, a reform that will further strengthen our nation’s economy and security, while fulfilling our founding principle of defending the human dignity of all.”
