FORWARD LATINO APPLAUDS PASSAGE OF BUILD BACK BETTER ACT IN THE US HOUSE OF REPRESENTATIVES

Franklin, WI: Forward Latino, a national non-profit, non-partisan advocacy and service organization with members and affiliates in twenty-nine states applauds the passage of the Build Back Better Act in the U.S. House of Representatives.

Forward Latino National President Darryl Morin issued the following statement:

“We congratulate President Biden and Speaker Pelosi on this morning’s historic vote. When passed by the U.S. Senate, and signed into law by the President, the Build Back Better Act will represent the single largest step taken in a generation to address inequity in our nation. The bill invests in our people and our planet and will resolve long-standing challenges that have confronted every working American for far too long. From lowering the cost of prescription medications and expanding access to affordable health care, to lowering taxes for millions of families, to providing assistance so that mothers no longer need choose between having a family or having a career, the Build Back Better Act is truly transformative. The bill will also invest in the protection of our planet, so that one day, life expectancy won’t be determined by your zip code. The bill does all this without raising taxes on anyone but the ultra-wealthy, who will finally be asked to pay their fair share. We look forward to working with leadership in the U.S. Senate to see the bill passed and signed into law.
