**FORWARD LATINO APPLAUDS U.S. SUPREME COURT DECISION IN  
"TEXAS V. AMERICA" CASE!**

Franklin, WI – Forward Latino, a non-profit, non-partisan advocacy and service organization dedicated to assisting Latinos pursuing the American Dream, and with members in 29 states, including the State of Texas, applauds the decision by the U.S. Supreme Court to dismiss Texas v. Commonwealth of Pennsylvania, State of Georgia, State of Michigan, and State of Wisconsin.

Forward Latino National President Darryl Morin issued the following statement:

“Tonight we saw the safeguards instituted by our founding fathers lawfully exercised and implemented in the defense of our constitutional republic. The United States Supreme Court dismissed a case which can only be aptly described as “Texas versus America.”

Texas filed a lawsuit seeking to block the counting of millions of lawful votes in states Donald Trump lost, and in the process, eliminate the rights assured states and citizens in the United States Constitution. Texas was supported by seventeen other states and 126 Republican members of the U.S. House of Representatives. Not since the secession of states prior to the American Civil War have we seen such acts undertaken by Americans, in an effort to undermine our government and our country.

For generations school children will learn about our founding fathers and American principles, only to have it followed by this new, shameful chapter in American history.

Our nation faces the greatest healthcare crisis in its history and challenges to the economic well-being of the almost every American and the businesses and organizations that employ them. It is time for our elected leaders to set aside the politics, accept the lawful outcome of our elections and get to work for the American people.”
