

TIPS FOR Taking online classes

01 ENOUGH TIME

Online classes can actually take more time weekly than face-to-face classes

02 REAL FOCUS

An online course requires you to take more responsibility for your progress than face-to-face classes

03 BENEFITS

Accessibility and convenient are major pros in online learning

04 TECHNOLOGY

You must have access to a reliable computer with high-speed internet

05 COMMUNICATION

Nearly all communication is written, so is it critical that you feel comfortable expressing yourself in writing

06 FREEDOM

No one is looking over your shoulder or presenting material which fosters independence!
