Profile

Nicole Senior is a professional Australian voice actor, writer and audiobook narrator who brings stories to life through engaging, authentic performances. From children's fiction and memoir through to contemporary and fast-paced fiction, Nicole works closely with authors to create audiobooks that remain true to their vision while captivating listeners. Recording from a professional Studiobricks studio, Nicole provides a complete audiobook production service from narration through to final mastered audio.

Specialising in warm, conversational and engaging storytelling for fiction, memoir and children's titles.
