OUR MISSION

To provide dependable construction support solutions through the supply and rental of high-quality equipment, materials, and services. We are dedicated to upholding the highest standards of safety, efficiency, and customer satisfaction—contributing to the growth and success of our clients' projects across Saudi Arabia

OUR VISION

To become a leading and trusted partner in Saudi Arabia's construction industry — recognized for delivering excellence in supply, rental, and service solutions that foster innovation, efficiency, and progress across every project we undertake.

OUR VALUES

At Halwan One General Contracting, our values are rooted in integrity, quality, and reliability. We are committed to safety, driven by innovation, and focused on delivering exceptional customer service—ensuring excellence in every project we support.

Our Quality Policy

At Halwan One General Contracting, we are committed to delivering high-quality services and products that consistently meet or exceed our clients' expectations. Whether supplying backfill and building materials or providing equipment rentals, vacuum tankers, buses, and camps, every project is carried out with precision, safety, and efficiency. We prioritize customer satisfaction, continuous process improvement, and strict adherence to industry standards, while empowering our team to uphold excellence at every level. Through this commitment, Halwan One ensures reliable, safe, and professional contracting solutions across all projects.

Our Team

Our team is the backbone of our success. Comprised of skilled professionals with deep expertise in construction, equipment management, and logistics, we are committed to delivering excellence in every project. From managing backfill materials and heavy equipment rentals to coordinating vacuum tankers, buses, and camp services, our team ensures efficiency, safety, and reliability at every stage of operation.

Our Core Values

At Halwan one General Contracting Est., our mission is to deliver reliable, high-quality services across the construction and contracting industry. From supplying premium backfill and building materials to offering efficient equipment rentals, vacuum tankers, buses, and fully equipped camps, we are driven by a set of core values that define who we are and how we operate.

We believe in integrity, conducting every project and transaction with honesty and transparency. Our commitment to excellence ensures that we consistently deliver high-quality materials and services that meet and exceed client expectations. With a focus on reliability, we take pride in delivering on time, every time—whether it's equipment, materials, or support services. Safety remains a top priority across all our operations, from equipment handling to on-site execution. We embrace innovation, constantly refining our processes to meet the evolving demands of the construction industry. And through collaboration, we foster strong partnerships built on trust, clear communication, and mutual respect with our clients, teams, and suppliers.

Our Clients

At Halwan one General Contracting Est., we are proud to serve a diverse range of clients across the construction, industrial, and infrastructure sectors. Our dependable supply and rental services play a vital role in supporting contractors, developers, and government projects throughout Saudi Arabia. We collaborate with construction companies, delivering tailored solutions for both large-scale infrastructure developments and smaller building projects. Our services extend to industrial facilities, where we provide essential equipment, safety systems, and waste management support. We are also trusted partners in government and municipal projects, supplying high-quality materials and rental services for critical public works. Additionally, we work closely with contractors and developers, ensuring the timely provision of equipment, materials, and workforce solutions to keep projects on track and within budget.

Why Choose Us

At Halwan One General Contracting, we bring trusted expertise backed by years of experience in supplying and renting construction equipment, materials, and services across Saudi Arabia. We offer comprehensive solutions that cover every aspect of project support—from heavy equipment and camp rentals to backfill materials and safety gear. Our commitment to quality assurance ensures that all products and services meet or exceed industry standards, delivering durability, reliability, and safety. With strong logistics capabilities, we guarantee timely delivery to help our clients stay on schedule. We pride ourselves on offering competitive pricing without compromising on quality or performance. Most importantly, we are customer-focused, committed to building lasting relationships through flexible, responsive services tailored to each client's unique requirements.

Supply of Backfill Materials

At Halwan One General Contracting, we specialize in the supply of high-quality backfill materials essential for construction, roadworks, and infrastructure projects across Saudi Arabia. Our offerings include sand, gravel, crushed stone, and other aggregates sourced from trusted suppliers to meet the diverse needs of contractors and developers. Every material we provide is selected for its strength, durability, and compliance with industry standards, ensuring optimal performance in a wide range of applications.

We understand that the foundation of every successful project lies in the quality of its materials. That's why we implement rigorous quality control processes to ensure our backfill materials meet strict project specifications. Whether it's for road construction, pipeline installations, or large-scale building foundations, our materials deliver the strength, stability, and long-term reliability required for enduring project success.

Productivity Support

At Halwan One General Contracting, we offer a comprehensive range of modern, well-maintained heavy equipment available for both short- and long-term rental. Our fleet includes excavators, bulldozers, wheel loaders, cranes, graders, compactors, and more—ensuring every phase of your construction project is supported with reliable and high-performing machinery.

We are committed to safety, efficiency, and performance, supplying equipment that meets international standards and providing experienced operators when required. With flexible rental terms, responsive service, and a focus on minimizing downtime, we empower contractors and companies to reduce costs, boost productivity, and deliver projects on schedule.

Vacuum Tanker Rental

Halwan One General Contracting offers reliable vacuum tanker rental services designed to manage sewage, wastewater, and industrial liquid waste safely and efficiently. Our fleet of well-maintained tankers is equipped to handle both small- and large-scale requirements, providing clean and compliant waste removal solutions for construction sites, labor camps, and industrial facilities.

We prioritize timely service, operational safety, and environmental responsibility—helping our clients maintain hygienic, regulation-compliant project sites. With flexible rental options and the availability of skilled operators, Halwan One is a trusted partner for efficient and dependable waste management services across Saudi Arabia’s construction and industrial sectors.

Bus Rental Services

Halwan One General Contracting provides dependable bus rental services to support the transportation needs of construction projects, labor camps, and corporate operations. Our fleet includes staff buses, coasters, and vans —offering safe, efficient, and comfortable transportation for workers and employees traveling to and from job sites.

We are committed to reliability, safety, and punctuality, with well-maintained vehicles operated by experienced, licensed drivers. With flexible rental plans tailored to project demands, Halwan One helps companies streamline workforce mobility, reduce operational costs, and maintain smooth, day-to-day logistics across all project locations.

Camp Rental Services

Halwan One General Contracting offers fully equipped labor and staff camp rentals designed to meet the accommodation needs of workers on remote and large-scale project sites. Our camps are built with a focus on comfort, safety, and functionality—featuring essential facilities such as sleeping quarters, kitchens, dining areas, and sanitation systems.

We provide flexible and cost-effective camp solutions that allow companies to house their workforce close to project locations while maintaining a high standard of living. With dependable setup, ongoing maintenance, and full support services, Halwan One ensures your team has a safe, comfortable, and efficient place to stay—enhancing workforce productivity, morale, and operational continuity.

Supply of Building Materials

Halwan One General Contracting is a trusted supplier of high-quality building materials essential for construction and infrastructure development across Saudi Arabia. We offer a comprehensive range of products, including cement, steel, timber, aggregates, blocks, and finishing materials—sourced from reputable manufacturers to ensure long-lasting performance and reliability.

Our strong commitment to quality, competitive pricing, and on-time delivery allows us to support contractors and developers in achieving project goals without compromise. Whether for small-scale developments or large construction projects, Halwan One delivers the right materials, at the right time, backed by service you can depend on.

Excellence Delivered. Every Time.

At Halwan One General Contracting, we are more than a service provider—we are a reliable partner committed to driving progress in every project we support. With a strong foundation built on integrity, quality, and customer satisfaction, we continue to serve Saudi Arabia's construction and industrial sectors with unmatched dedication.

We look forward to partnering with you and contributing to the success of your projects through dependable supply, rental, and support services that meet the highest industry standards.

Let's build the future—together.
