

SUPPORT OUR FIRST RESPONDERS

Volunteer your time and become a member of Rehab 23. We ask members to volunteer at least 36 cumulative hours at events, attend monthly meetings, and participate in 4 call outs per year.

Membership Officer:
Lou Mineweaser

Email: rpmjim53@gmail.com

Your contribution helps provide hydration and relief supplies during emergencies

"Rehab 23 is a shining example of what makes our community so strong: neighbors serving neighbors. Their all-volunteer team shows up without hesitation, providing essential support to our police officers and first responders."

Tyler Chandler, MOL, Chief of Police

***Our Mission: Provide needed support to
1,000+ Firefighters, Law Enforcement, and
EMS First Responders in Wilson County
24/7/365***

rehab23.org

We are a group of volunteers who give back to our community through support of First Responders who help make Wilson County a safe, healthy place to live, work and recreate.

- Provide food and refreshments to firefighters and EMS personnel who may have to endure long hours at a fire, or law enforcement who may have to sustain a secure environment for a criminal incident or traffic accident.
- Support federal, state and local agencies engaged in weather related incidents through food and refreshments, as well as warmth or cooling stations.
- Provide a place to come to for food and refreshments for those First Responders engaged in security and traffic management at large events, such as NASCAR.

“Rehab 23 continues to be a tremendous support to first responders across Wilson County. No matter the hour, they show up ready to help, and their commitment to our department truly stands out.”

Jeremy Hobbs, Fire Chief of Wilson County Emergency Management

Through our volunteer network we support over 1,000 Firefighters, Law Enforcement personnel and EMS in Wilson County as they work towards keeping our communities safe.
