Dear Customer,

I would like to take this opportunity to thank you for being a customer of my dad, Dave Felsing, in the past. As you may have heard, he passed away in June of this year after 37 years of working in life safety.

My father cared deeply about fire and life safety and about keeping his customers up to date with current codes and standards. To ensure his accounts are taken care of, we are transferring them to Pro 10:9 Fire.

Mark Connolly is the owner of Pro 10:9 Fire. He has over 25 years of experience in the fire extinguisher business and started his own company in 2019. Mark shares the same passion as my dad did: providing top quality services.

Mark's contact information is below; he will be reaching out to you as your account comes due for the annual service.

Sincerely,

Raymond Felsing
