

# SCAMPERGORIES

Like scattergories, but way cooler

Game Play:

1. Everyone get a paper and pencil, number 1-12
2. Google a random letter generator, pick a letter from a hat, or pick a random letter
3. Set a time for 60 seconds
4. You have 60 seconds to name one thing in each category that starts with the chosen letter
5. After, take turns going around the reading out each answer. You get one point for every answer you have! The person with the most points after 6 games wins!
