

# Season 5: Virtual Tik Tok Edition

**ARE YOU EXCITED FOR THE CAMP DANCE?!?! WE ARE TOO!!!**

On Thursday, as part of the all camp dance we will air camper Tik Tok videos that qualify for the “Dancing with the Camp Stars” contest. Everyone who attends the dance will have a chance to vote for their favorite Tik Tok!

## **How do you participate?**

Great question! Please follow the instructions below:

- ◆ Please create and record yourself doing a 30 second or less dance video to participate in this Tik Tok dance challenge.
- ◆ We encourage you to create an original dance that other campers can learn too!
- ◆ If you currently have a Tik Tok account, please make sure that you stand approximately 12 ft away from your recording device. To keep user information private we will be cropping out the top and bottom sections where the username and Tik Tok logo displays.
- ◆ If you do not have a Tik Tok account, that’s ok! We got you! Please just record your dance on any recording device that you have.
- ◆ Please, email your Tik Tok submissions to Program Director Smalls at [smalls.cr4ts@gmail.com](mailto:smalls.cr4ts@gmail.com)
- ◆ Once approved, you might see your dance featured on the OAK Tik Tok Channel where others can do a duet with it!

## **Can I still participate even if I don’t create a dance?**

- ◆ Yes! If you have a Tik Tok account you will be able to do a duet with the dances posted on the OAK Tik Tok channel.
- ◆ Once your duet is created, save it to your device and email Smalls.

## **Can I submit more than 1 dance?**

- ◆ Yes. Dance with as many Tik Tok partners that you like! For example: you can create a dance AND duet with as many other CR4TS campers as you would like. You never know, you might see yourself in the *Dancing with the Camp Stars* Challenge more than once!

**For any questions about this challenge, please email PD Smalls at [smalls.cr4ts@gmail.com](mailto:smalls.cr4ts@gmail.com)**
