Since then, millions of pilgrims go there to pay their promises, to pray or just to feel its mystical strength! The Sanctuary Square is so big that it can only be described by numbers: it can receive simultaneously 300.000 visitors and it's twice the size of St. Peter Square in the Vatican.

- Accommodation at the hotel.
- Dinner (included Half Board)

Rest of day at leisure to visit the sanctuary, and where you can attend a mass according the time.

Day 02

Breakfast at the hotel. Day at leisure for activities of religious Nature, namely participate in the mass services and visit the sanctuary of Fatima (pilgrimage centre of the world catholic faith).

Visit the Grutas da Moeda (the Coin Caves) of S. Mamede, Fatima, were discovered in 1971 by two hunters while chasing a fox. Once in the cave, they were overcome with curiosity which led them to explore the area more thoroughly. To their amazement, they soon found the "Shepherd's Chamber", a chamber full of the most fantastic limestone formations. For nearly two months the two men continued to dig away at the narrow cracks which led on from the first cave, slowly discovering the other chambers and galleries included today in the Grutas da Moeda.

At the end of the afternoon return to Algarve

End of our services.
