Account confirmation by email

You will receive a welcome message from Kinek by email.

Welcome,
Your Kinek account is now active and you have chosen your Kinek point to receive your orders. You can even use your Kinek Point to receive packages from friends and family!

Be sure to include your Kinek number in the shipping address because this is the way to identify your package when it arrives.

The image shows a screenshot of an email from Kinek. The header features the Kinek logo (a stylized 'K' with a green dot) and the text 'Kinek | your delivery network' on the left, and Facebook and Twitter social media icons on the right. The main body of the email starts with 'Welcome' in a large font, followed by a paragraph: 'Your Kinek account is now active and you have chosen your first KinekPoint to receive your online, catalogue, or phone orders at. You can even use your KinekPoint to receive packages from friends and family!'. Below this is a section titled 'Here is your new KinekPoint Shipping Address:' which contains a white box with the following text: 'Your name', '555 Vt Route 78, #9394677', 'Business America Services - Kinek', 'Swanton, Vermont', and '05488'. A note below the address box states: 'Always be sure to include your Kinek# in the shipping address as this is how we identify your package when it arrives. You can also change your KinekPoint any time you like.' At the bottom of the email body, it says: 'If you have any questions, check out our [FAQs](#) or give us a shout at support@kinek.zendesk.com'. The footer of the email is identical to the header, with the Kinek logo and text on the left, and social media icons on the right.
