Dear Water Customer/Neighbor

January 1, 2025

The Noank Water Commission is pleased to report another successful year of operation for the Noank Water Company. Owned by the Noank Fire District and managed by the Noank Executive Committee, the Noank Water Company is run for the benefit of the community, providing water service at the lowest price possible while maintaining a superior water distribution system. Our Superintendent, Ted Rathjen, and his assistant Frank Lewis, work hard to make sure your water system is always ready to serve you.

Thank you to all our residents who support our efforts to complete the federal government mandated copper-lead survey. Through the diligent efforts our Water Department and your assistance we have reached 99% completion.

Help keep water use down by using water wisely. *In the home, conserve water year-round by making sure you have full loads in washing machines and dishwashers, repair any leaking faucets or toilets, ONLY water lawns in the early morning hours or late evenings. Do not leave sprinklers running for hours.* Thank you for your water conservation efforts.

If needed during extended absences, the Noank Water Co. will shut off your water when you leave and turn it back on upon your return for a service charge of \$75 per incident. Advanced notice of at least four days is required. Any shut off at the street must be performed by the Noank Water Co.
