TRASH COLLECTION – ANNUAL NOTICE

August 15, 2022

DEAR FIRE DISTRICT RESIDENT:

The Noank Fire District Executive Committee has set the rate for trash collection per household for the coming year, September 1, 2022 to August 31, 2023, at **\$240.00**.

Regular trash pickup will be every Monday and recyclables every other Thursday based on your address. The schedule for 2023 is enclosed. Please follow the 2022 schedule until the end of the year. [If you should lose your recycling schedule, it will be posted on noankfiredistrict.com on the Trash/Recycling page.](#) **Please have trash and recyclables out by 7:00 AM.**

HOLIDAY Adjustments: If the holiday falls on a Monday, trash pickup will be Tuesday. Recycle pickup may be one day later (Friday) whenever the holiday falls on or before Thursday.

SEVERE WEATHER: *Pickup may be cancelled by our hauler. Should this happen, pickup may occur on the next scheduled pickup date.*

All customers are required to use CWPM containers (GREEN for trash and BLUE for recyclables). Trash must fit in the designated container. NOTE: CWPM will only pick up their containers. Trash/Recyclables left outside containers will not be picked up.

REMINDER: Due to CT DEEP regulations grass trimmings cannot be disposed with the trash. Trimmings should be composted or mulched, and leaves and brush may be brought to the Town of Groton Transfer Station. *Hazardous materials should never be disposed with other trash.* Noank is required to strictly enforce these regulations.

Trash collection is funded through this annual billing and not tax dollars. Therefore, we ask that you remit your payment by **October 14, 2022**, which will allow the Fire District to pay our bills promptly.

Please review the information on your bill and note any corrections when you return your bill with your payment.

As always, thank you for your cooperation and please do not hesitate to contact us with any questions at **860-536-7366** or **CWPM at 888-966-2976**.
