**GROW AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE**

*I'll never forget the first time I understood that the Eucharist does more than unite us to Jesus (a reality that is astonishing on its own). We profess in our creed that we're part of a communion of saints; every time we receive the Lord in holy Communion, we're drawn into a closer union with him and with all those who are members of his Body. St. Paul tells us that in partaking of the Body and Blood of the Lord, "we, though many, are one body, for we all partake of the one loaf." In a society where people are divided in so many ways, we're reminded of the Lord's burning desire – which he spoke of at the Last Supper – that we would all be one as he and the Father are one. (Jn 17:21) In giving us his very self in the Eucharist, Jesus has given us the means for achieving the unity he desires with us and for us. As we come forward to receive the Eucharist this Sunday, let us ask the Lord for the grace to grow in love and unity with all those who share this "one loaf."*

**GO EVANGELIZE | PRAYER, INVITATION, WITNESS**

*Like the Israelites wandering in the desert, our hearts long not only for physical bread, but for spiritual nourishment. Those who have come to know the Lord know that it is only the bread that he gives that can satisfy the hungers of our hearts. One of the best descriptions for evangelization I have heard is "one beggar telling another where the food is." We have access to food that offers life eternal. How can we keep such a feast to ourselves? Because the Eucharist is at the heart of our Christian life, it ought to factor heavily into our evangelization efforts. Think about ways you can share how the hungers in your life have been satisfied by the Lord in this sacrament.*

Other popular items are plants, fresh eggs, and homemade noodles. Let's get busy for our parish picnic!

## **Solemnity of the Most Sacred Heart of Jesus – June 12 – Meditation**

We have come to know and to believe in the love God has for us. (1 John 4:16)

Have you ever heard about the difference between “head knowledge” and “heart knowledge”? When it comes to our faith, head knowledge is important. We need to understand what the Church teaches. But without heart knowledge, it can get us only so far. Because we also need to understand, from the depths of our being, how precious we are to the Lord and how much he loves us.

That’s what today’s feast of the Sacred Heart of Jesus is all about. As the incarnate Son of God, Jesus’ heart is aflame with love for each one of us. Before you were even born, Jesus loved you. Even when you were lost in sin, he loved you enough to die for you. And even today, he wants you to “know and to believe”—in your heart as well as in your head—this unquenchable, unending love (1 John 4:16).

Writing about St. John Henry Newman’s devotion to the Sacred Heart, Pope Francis had this to say: St. John Henry Newman took as his motto the phrase *cor ad cor loquitur* [heart speaks to heart], since, beyond all our thoughts and ideas, the Lord saves us by speaking to our hearts from his Sacred Heart. This realization led him, the distinguished intellectual, to recognize that his deepest encounter with himself and with the Lord came not from his reading or reflection, but from his prayerful dialogue, heart to heart, with Christ, alive and present. (*Dilexit Nos*, 26)

We can deepen our knowledge and belief in God’s love as we spend time with Jesus in our own “prayerful dialogue,” as we come “heart to heart” with him in prayer. We can speak to him of our joys and burdens, our dreams and desires. We can express our love for him and our gratitude for all he has done for us. Then we can listen for his word to us, a word that will reassure us that he holds us, now and always, in the depths of his own Sacred Heart.

To honor this great feast, try to set aside some time to speak to the Lord heart to heart—and come to know, ever more deeply, the love Jesus has for you! “*Jesus, help my heart to burn with love for you!*”

### **June 11, 2026 - On the Occasion of the U.S. Bishops Consecrating the United States of America to the Sacred Heart of Jesus – usccb.org**

O Most Sacred Heart of Jesus: You know the longings of our hearts, and you desire that we enjoy friendship with you. From your pierced side, you have poured out the wellspring of life, for which we thirst. Your heart burns with a love for all people to return to a right relationship with you.

We celebrate the abundant gifts you have given this nation, founded on the self-evident truths that our Creator has endowed all people with the right to life, liberty, and the pursuit of happiness.

We make reparation for the offenses against you and against human dignity that have taken place in this nation.

May our hearts be united to yours, so that our families and communities enjoy peace and happiness; may broken relationships be reconciled, injustices repaired, and the wounds of our land be healed.

May your holy Catholic Church serve as a sign, pointing all people to your infinite love.

O Desire of Nations and Center of History, we ask you to bless these United States of America.

Who live and reign with God the Father in the unity of the Holy Spirit, God, for ever and ever.

Amen. Most Sacred Heart of Jesus, have mercy on us! Immaculate Heart of Mary, pray for us!
