To All Parishioners,

As you know, the Parish Council held Parish meetings to discuss the future of the Sisters' Convent. The building is deteriorating and also sustained damage during the hail storm this past winter. The parishioners that attended the meetings voted with a majority to renovate and to repurpose this building from a residential layout to one that accommodates the current use of the building.

Currently the building is being used for CCD classes as well as for meetings, and small group rentals. However, the former bedrooms which are being used for classrooms are small, and the one restroom is insufficient to support classes. The remodel will create a more welcoming, functional and safe environment that will support religious education. It will enhance the spiritual formation of our youth.

In addition, it is our hope that the space will also accommodate the needs of other parish ministries, senior citizen meetings, Catholic Daughters of America, Junior Catholic Daughters of America, Knights of Columbus and Youth Choir. Additionally, it can be used for gathering space before Wedding, First Holy Communion and Confirmation masses as well as provide storage for Altar Society materials used for different liturgical seasons and provide secure storage of records for the Cemetery Committee.

The cost of remodel is estimated at \$700,000. Our goal is to raise \$400,000 and use \$300,000 from cash invested in Certificate of Deposits. Please prayerfully consider how you can support this project. It is our hope that each family can participate and be a part of this effort. With your help, we can ensure the building remains a vibrant and integral part of our faith community for years to come.
