Publisher's Note...

Dear Readers,

It gives me great pleasure to present the Ludhiana Local Directory, a comprehensive reference book designed to bring together the businesses, services, and people that make our city vibrant.

Ludhiana is known as the Manchester of India—a city of enterprise, innovation, and resilience. From hosiery and textiles to machine tools, bicycles, and auto parts, Ludhiana's industries have made a mark not just in India but across the world. Alongside this industrial strength, the city has also grown into a hub of education, healthcare, hospitality, and lifestyle.

This directory is our attempt to showcase the full spectrum of Ludhiana's commercial, professional, and cultural life. Whether you are a business owner seeking new clients, a resident looking for services, or a visitor wanting to explore the city, this book is designed to be your one-stop reference.

I thank all our advertisers and partners for their support in making this edition possible. Their participation has helped us bring this directory to life, and I encourage you to consider their products and services.

We hope this publication proves valuable to you, and we welcome your feedback for future editions.

With Warm Regards

Chander Mohan Sharma
