EVEREST PUBLIC SR. SEC. SCHOOL - MOTI NAGAR Everest Group of institutions is mak-

Everest Group of institutions is making giant strides in the science and art of teaching by providing multidimensional growth opportunities to its students. Our principal, Ms. Poonam explains the growth journey of an Everestian as follows:

KINDERGARTEN

The Nursery program for the children aged 3 to 5 is child-centred and oriented towards practical applications,

social development and acquiring the skills, knowledge and understanding required to interact in a changing world.

PRIMARY/MIDDLE

At the primary / middle level there is emphasis on personal development based curriculum and students learn the essential concepts of each subject. Special emphasis is laid on development of positive attitude and healthy habits among students. Foundation in reading, creative writing, communication, science and mathematics is established in a caring and stimulating environment.

SENIOR CLASSES

The knowledge and skills gained during the middle school years equip students with firm education foundation. Students are presented with opportunities to research, solve problems and make considered decisions. Students in the senior secondary phase focus on career choices.

ACADEMIC ACHIEVEMENTS

Academically the name of our school has been held high by our meritorious students who are placed in the merit list of examination. They have got admissions in Medical and Engineering colleges of state and the prestigious institutions in foreign countries

MEDICALAID

well qualified doctors pay due attention to the personal hygiene, physical development and medical check-up of the students.

SPORTS

Our students are very successful in sports. Sports day is annual feature. Our students are carrying India colours in some sports.

INCULCATING RESPONSIBILITY

At Everest the systems as well as educational process is all directed towards inculcating hard lifestyle values into the students.

PARENT-TEACHER MEETINGS

Parent-Teacher meetings carry a special flavour in Everest Institutes. Teachers discuss with parents the problems and requirements of children.

An annual Family Reunion Function is organized to discuss the constructive role of parents in the upbringing of a child.

The Founder Says...

It is a moment of great pride that our group has successfully completed 42 years of excellence. We are feeling proud of our glorious past, rich heritage, splendid accomplishments and confident future. We recall how with a modest start in 1970, we have reached a stage where everybody ranks us in the "Very Good" cat- teachers feel proud of egory on the basis of our consistently good per-

formance in academics as well as in sports and extra-curriculars.

It is a matter of pride that this year our students emerged champions in District Judo. some were selected amongst the best scouts and cubs of India, some won accolades at District Science Competition. The list is never ending and it makes me and my our heritage. However, we never count upon our

past achievements. We make a new beginning every time and we have many further milestones to surpass in the current session.

I am full of gratitude to one and all - our students, our management, our patrons and our alumni.

Aims & Objectives

It is our objective to help students attain success in their chosen stream. However, we do not consider exams the be-all and end-all of a pupil's life at school. Equally, rather more important, is the character building training provided here. If we instil into our students the higher principles of living then only we feel that we have achieved something greater than a good examination result.

Mrs. Asha Sharma, **FOUNDER** PRINCIPAL & Coordinator NIOS,

GRATITUDE

We are deeply indebted to the patrons and benefactors of the school for extending help to us. We express our gratitude to Sh. Vidya Sagar Oswal, Chairman Oswal Group of Industries and S. Rajinder Singh Jandu for his patronage and co-operation given to us. We express our thanks to Master Mohan Lal, Ex-Transport Minister, Punjab, S. Bikramjit Singh Khalsa, Ex-MLA and S.Gulzar Singh Ranike, Cabinet Minister, Punjab, to donate for extension of school building. We also thank our many well wishers who have been co-operating with us for last so many years. We are also thankful to Mr. N. C. Gupta, M/s Varindera Agro Chemicals Ltd, for his contribution in the extension of the newly constructed school building at D. N. Everest School,
