EDITORIAL - GMMSA ADVANCES!

promises a ray of hope. Though most of the industry is facing a sort of payment crunch, business has started running at higher levels. India-US trade surpassed \$200 bn in 2023, India's textile imports were valued at \$4.5 bn in Jan-Aug 2023, India's GDP is expected to surpass \$4 trn in FY25 and to reach \$5 trn by FY27. India & UAE aim for \$100 bn bilateral trade. The Garment machinery Expo at Ludhiana, namely, GMMSA is also expected to grow larger this year with more businesses trying to

book space for their latest innovations. Trade exhibitions have also started again in big way with many expos slated in the first quarter of the year. Heimtextil Germany opened with 2800 exhibitors from 60 countries & AI panel discussions for the first time. The fair highlights global trends, product diversity, and sustainability in textiles, featuring new halls, trends, and an expanded content programme across 17 levels. City Vibes has also expanded its spectrum of services from print

media to online and digital spectrum also. Besides, we are now also providing Social Media services, Web designing services and Content writing services. Every business needs a professional bio of its own. This not only defines a business but also enables it to foresee and plan its activities at micro level. We are proud to have started this service for the industry of Ludhiana and proudly, Ramana International is the first house from city that has got its professional bio prepared and printed.

Welcome to 2024! The new year has started with a smile for the hosiery industry of Ludhiana due to the extended winter season, which has created a positive outlook for the year ahead. After some years of poor business and Corona, this year

GMMSA EXPO 2024 Contd...

machinery to exhibit the latest innovations in their products in the expo. Innovations work towards

world's latest technology on view for the industry and goes a long way in preparing industry to be successful in the today's world."

and help industry achieve cost efficiency in each process of knitwear industry and make it more competitive. He emphasized that exhibitions have become main mode of business promotion these days as the buyers can see the latest innovations live."

industry. Being from the industry itself, we know the problems, expectations and desire of the industry for new technology. We find eagerness among leading brands of

reducing the costs and increasing efficiency" Parmesh Wassist, vice-chairman, GMMSA said, "GMMSA expo is a platform that provides

Narinder Kumar, General Secretary, GMMSA, said, "Machinery manufacturers are keen to showcase their latest technology that increases productivity

Teja Singh, President GMMSA, emphasized the need for the machinery manufacturing sector in Ludhiana to gear up its sleeves and be more competitive and hailed the efforts of leading garment machinery manufacturers of Ludhiana.
