Remembering 2021 amid **HAPPY NEW YEAR 2022**

Farmers Protest
It was on January 26, 2020 that farmers protest against 3 agricultural laws reached delhi. The farmers' protest against the three farm laws which started on November 26, 2020, finally ended on December 11, 2021, after the government repealed the three agriculture laws.

on October 21, reflecting the momentous journey and determination to fight against an invisible enemy. The country-wide vaccination drive was rolled out on January 16 with healthcare workers (HCWs) getting inoculated in the first phase. The next phase of vaccination commenced from March 1 for people over 60 years of age and those aged 45 and above with co-morbid conditions. The country launched vaccination for

all people aged more than 45 years from April 1. The government then decided to expand the vaccination drive by allowing everyone above 18 to be vaccinated from May 1.

Covid Second Wave
More than a year after the onset of the pandemic, in April the country saw the pandemic taking an ugly turn, something that was unpredictable. The country started recording more than 4 lakh active

cases and 40,000 deaths daily. The rise in mutant variants of SARS-CoV-2 virus -- Delta (B.1.617.2), even led to concerns regarding vaccine effectiveness. Lockdown was once again imposed in almost all the states and industries were shut to arrest the spread of the virus. The situation was, however, brought under control with the scaling up vaccination and people strictly adhering to the Covid protocol.

Kumbh Mela
The Haridwar Kumbh Mela, the mammoth religious congregation, the largest religious gathering on Earth ended on April 30 after triggering a scare that it might have acted as a coronavirus 'super-spreader'. The mega event that happens in the Kumbh Mela Kshetra spread over an area of 641 hectares from Haridwar to Devprayag, after 12 years was reduced to a modest festivity and most of the tasks were completed symbolically due to fear of Covid. Many Akhadas,

lead by the largest one Joona akhada slowly withdrew from event. Three shahi snans took place during the event on April 12, 14 and 27, the last one being reduced to a largely symbolic event. Mela organisers claim that the event, among, passed off without any serious untoward incident anywhere.

Assembly Elections
Four states - West Bengal, Kerala, Assam, Tamil Nadu and Union Territory Puducherry went to polls amid the pandemic. The elections saw massive crowds at rallies of

politicians. All Covid norms had gone for a toss and this was among other reasons that added to rising cases. People started believing that all Covid norms are shelved by government in election states.

Privatization by Govt
Tata Sons, the holding company of Indian multinational conglomerate Tata Group, won the bid to take control of Air India. This led the government continuous efforts to sell the public sector undertakings.

What is IELTS?

IELTS (The International English Language Testing System) is the world's most popular English language test for work, study, and migration. More than 10,000 organisations trust IELTS as a reliable indicator of true to life ability to communicate in English. IELTS assesses a test taker's English language proficiency across four skills: Listening, Reading, Writing, and Speaking.

Delivered on either a computer or paper, IELTS is the only high-stakes language test recognised for migration across Australia, Canada, New Zealand, and the United Kingdom. With a focus on human conversations, IELTS was a pioneer of four-skills English language testing more than 30 years ago. IELTS continues to set the standard for English language testing today.

IELTS test format

IELTS is a test of all four language skills: Listening, Reading, Writing and Speaking. You will take the Listening, Reading, and Writing tests all on the same day one after the other, with no breaks in between. Depending on your test centre, your Speaking test may be on the same day as the other three tests or up to seven days before or after that. The total test time is under three hours.

IELTS Listening test (30 minutes) You will have to listen to four recordings and then answer the questions asked. The recordings are of native English speakers and the duration of the test is 30 minutes.

IELTS Reading test (60 minutes) The IELTS Reading test requires you to answer 40 questions and is designed to test you on an array of reading skills. You would have to read for gist, main ideas, details, logical arguments, skimming, and figuring out the writers' attitudes, opinions and intentions.

IELTS Writing test (60 minutes) The IELTS writing test requires you to complete two tasks and covers topics of general interest based on the module you are taking.

IELTS Speaking Test (11-14 minutes) The IELTS Speaking test assesses your spoken English skills. The test is recorded and conducted in three parts. IELTS test dates in Nepal are available four times a month or 48 times a year (for paper-based) and are generally held on Saturdays and Thursdays to provide flexibility and convenience to the test seekers. If you opt for the computer-delivered IELTS, you can choose from multiple dates and time slots in a day and get your results within 3-5 days. However, the availability of the IELTS dates may differ as per the test type and module you have opted for - Academic or General Training.

Why is the IELTS format fairer for test takers

You deserve a fair chance to do your best. That's why, unlike other tests, IELTS gives you a quiet room for an individual Speaking test with no distractions or interruptions.

IELTS also recognises that people have different approaches to answering questions. For example, with IELTS you can answer questions within the Reading test and the Writing test in the order that suits you. You can also make changes to your Reading answers during the hour of the Reading test and adjust your Writing responses during the hour of the Writing test.

Why choose IELTS?

It is the test for study - Thousands of the world's most reputable universities and colleges accept IELTS results as evidence of English language proficiency.

It is the test for professionals - Professional registration bodies in many fields including accounting, engineering, law, medicine, nursing, pharmacy, and teaching bodies in many countries accept IELTS scores.

This implies that you'll need to take the IELTS to gain professional registration in an English-speaking country.

It is the test for migration - Most governments prefer IELTS scores as proof of your language skills than any other English language test as a requirement for permanent residency. Unlike other providers, the IELTS General Training test is the only non-academic test available for migration to Australia, New Zealand, Canada, the United Kingdom, and the USA.

It's the test that's fair - IELTS assesses you on your practical communication abilities and provides with an accurate assessment of the four skills being tested. It focusses on testing the language abilities rather than specialist knowledge of the candidate and offer two versions - Academic and General Training. Plus, the Speaking test is held one-on-one with a certified examiner.

The test content for IELTS is developed by an international team of experts and undergoes extensive research to ensure the test remains fair and unbiased for any candidate regardless of nationality, background, gender, lifestyle, or location.

BEST OF LUCK...

ਜਿਲਾ ਪੱਧਰ ਤੇ ਸਰਕਾਰੀ ਸਿਹਤ ਸੇਵਾਵਾਂ ਬੁਰੀ ਤਰਾਂ ਵਿਗੜ ਚੁੱਕੀਆਂ ਨੇ। ਭਾਰਤ ਸਰਕਾਰ ਵੱਲੋਂ ਬੇਹਤਰੀਨ ਸੇਵਾਵਾਂ ਦੇਣ ਲਈ ਅਵਾਰਡ ਪ੍ਰਾਪਤ ਜਿਲਾ ਸਿਵਲ ਹਸਪਤਾਲ ਪਿਛਲੇ ਕਰੀਬ ਦੋ ਮਹੀਨਿਆਂ ਤੋਂ ਹੜਤਾਲਾਂ ਦਾ ਘਰ ਬਣ ਕੇ ਰਹਿ ਗਿਆ ਹੈ। ਐਨ.ਐਚ. ਐਮ. ਵਰਕਰਾਂ ਦੀ ਹੜਤਾਲ ਦੂਜੇ ਮਹੀਨੇ ਵੱਲ ਜਾ ਰਹੀ ਹੈ, ਨਰਸਾਂ ਦੀ ਹੜਤਾਲ ਨੂੰ ਵੀ ਮਹੀਨੇ ਤੋਂ ਉਪਰ ਹੋ ਚੁੱਕਾ ਹੈ ਅਤੇ ਹੁਣ ਰੂਰਲ ਫਰਮਾਸਿਸਟ ਵੀ ਹੜਤਾਲ ਤੇ ਹਨ। ਜਨਤਾ ਪਰੇਸ਼ਾਨ ਹੋ ਰਹੀ ਹੈ ਪਰ ਸੁਣਨ ਵਾਲਾ ਕੋਈ ਨਹੀਂ।
