**EDITORIAL - GMMSA ADVANCES!**

**GMMSA EXPO 2025**

Seventh edition, at Dana Mandi, Bahadur Ke Road, from February 7 to 10, 2025

season, which has created a positive outlook for the year ahead. After some years of poor business and Corona, this year promises a ray of hope. Though most of the industry is facing a sort of payment crunch, business has started running at higher levels. India-US trade surpassed \$200 bn in 2023, India's textile imports were valued at \$4.5 bn in Jan-Aug 2023, India's GDP is expected to surpass \$4 trn in FY25

and to reach \$5 trn by FY27. India & UAE aim for \$100 bn bilateral trade. The Garment machinery Expo at Ludhiana, namely, GMMSA is also expected to grow larger this year with more businesses trying to book space for their latest innovations. Trade exhibitions have also started again in big way with many expos slated in the first quarter of the year. Heimtextil Germany opened with 2800 exhibitors from 60 countries & AI panel discussions for the first time. The fair highlights global trends, product diversity, and sustainability in textiles, featuring new halls, trends, and an expanded content programme across 17 levels. City Vibes has also expanded its spectrum of services from print media to online and digital spectrum also. Besides, we are now also providing Social Media services, Web designing services and Content writing services. Every business needs a professional bio of its own. This not only defines a business but also enables it to foresee and plan its activities at micro level. We are proud to have started this service for the industry of Ludhiana and proudly, Ramana International is the first house from city that has got its professional bio prepared and printed.

The Garments Machinery Manufacturers and Suppliers Association (GMMSA) Expo has entered into its Ninth edition, which starts at Dana Mandi, Bahadur Ke Road, from February 7 and will continue till February 10, 2025. Speaking to City Vibes, Ram Krishan, Chairman, GMMSA, said, "We are glad to present the Ninth edition of the expo, expectations and desire of the industry for new technology. We find eagerness among leading brands of machinery to exhibit the latest innovations in their products in the expo. Innovations work towards reducing the costs and increasing efficiency"

ful in the today's world." Narinder Kumar, General Secretary, GMMSA, said, "Machinery manufacturers are keen to showcase their latest technology that increases productivity and help industry achieve cost efficiency in each process of knitwear industry and make it more competitive. He emphasized that exhibitions have become main mode of business promotion these days as the buyers can see the latest innovations live."

As many as 300 brands will showcase 2,000 products in the expo. Participants from India and over 20 countries will attend expo.

which is being organized by the industry for the industry itself, we know the problems, provides world's latest technology on view for the industry and goes a long way in preparing industry to be successful.

**Panipat's 6th Edition of Yarn Fabric & Accessories Show 'YFA and Asian Textile Machinery Expo ATME' begins March 20<sup>th</sup> 2025**

The Yarn Fabric & Accessories Show (YFA) and Asian Textile Machinery Expo (ATME) 2025 which runs from 20<sup>th</sup> - 22<sup>nd</sup> March, 2025 at Anaaj Mandi, Panipat aims to redefine the way fiber, yarn, fabric and Home Textile Machinery are sourced and bring renowned suppliers from the these four segments closer to buyers and also offer buyers a one-stop place to source all their requirements.

YFA/ ATME 6.0 can prove to be a gateway for companies to enter the attractive and lucrative north Indian market and grab a slice of the ever-growing market for Home textiles in the northern region of India, which is one of the biggest Indian hubs for manufacturing Home textiles. The show has attracted attention of Indian textile companies in the textile value-chain, not only from Northern India, but also Southern, Western and Eastern India, which goes to prove the popularity of the show with exhibitors. In order that exhibitors get full advantage during the course of the three-day show, the organizers have also planned several B2B meetings between exhibitors and visitors and also invited business delegations from various parts of the country. Panipat and its surrounding area, is the headquarters for several renowned Indian and global Home Textile brands and also home to Thousand of Home Textile manufacturers Knitting spinning and weaving units as well as garment manufacturing units. Owners, top officials, merchandising and sourcing teams from these companies and brands are expected to attend the show, which will provide exhibitor's access to the most exclusive buyers ever seen in any other exhibition of this category. The show has already gathered a lot of enthusiasm among the industry. Vision Communications, the organizer, has initiated a 360 degrees integrated marketing and PR campaign to attract the maximum number of genuine visitors. Founder duo of Vision Communications, Abhishek Sharma and Ankur Goel said, "Our aim is to bring producers of world class and multiple varieties of value added fibers, yarns, fabrics, Home Textile machineries and spare parts closer to the end-users in Panipat and its surrounding areas (i.e. Ludhiana, Amritsar, Noida, Delhi, Bhadohi etc.) through YFA / ATME 2025."

So, if you are a producer of fibers, yarns, fabrics, Home Textile Machinery or spare parts, YFA & ATME Panipat 2025 is the place to be, whereby, participating in this exhibition will offer a sense of satisfaction never seen before, as a large number of only genuine and serious buyers will be seen visiting the exhibition.
