A Message from Father Apostolos

"On the 12th Day of Christmas, my true love gave to me..."

not 12 drummers drumming, but the **Holy Feast of Epiphany!** Orthodox Christians, having kept the Nativity Fast in preparation for Christmas, enjoy these 12 days as a fast-free period of festal celebration between the two feast days with Epiphany seen as the fulfillment of and direct application of Christmas.

In the Feast of the Nativity of Christ in Bethlehem, we witnessed the Pre-eternal Word of the Father become a newborn babe, thereby uniting all of creation with Himself and, through Him, to the Godhead. Jesus emptied Himself of the eternal glory He shared with the Father in order to become the God-Man, the bridge that reconnects creation with its creator. Christmas is the celebration of the rescue mission God undertook to recall us to Himself!

And in the Feast of Epiphany, we witness the heavenly acknowledgement of the Christ as the Son of God and One of the Holy Trinity when, as Jesus descended into the waters of the Jordan River at the hands of St. John the Baptist, the voice of the Father spoke from Heaven that Jesus was His beloved Son and as the Holy Spirit descended and alighted upon Him, as the festal hymn denotes "the worship of the Trinity was revealed."

The hymns of the Feast of Epiphany recall the prophetic words of Psalm 77 which read, "the waters saw Thee, O God, the waters saw Thee and were afraid, the depths also were troubled," that is, the primordial element of water as the precondition for life, recognized The Creator as Jesus descended into its depths. This prophecy is depicted in the icon of the Epiphany with the flow of the water reversing its course, an annual miracle which is manifested every year when the Patriarch of Jerusalem throws a wooden cross into the Jordan whereupon the rivers reverses its course for a short period of time.

And it is in this season that the waters of the world are blessed in Orthodox Churches in the services of the "Blessing of the Waters," the Small Blessing on the Eve of Epiphany on the 5th and the Great Blessing on the 6th, the only difference between the two being a single prayer. Here, we bless, that is, we consecrate and dedicate to the service of God, the entire Church building and all the faithful Orthodox gathered to observe the feast.

This blessing is then taken into the homes of all the faithful as we bless our families, homes, businesses, automobiles, and every material aspect of our lives. Holy Water is distributed in little bottles to Orthodox families to keep in our homes of which we partake for health of soul and body, thereby making sacred that which before was mundane and ordinary.

The annual rite of house blessings imparts to the faithful much more than a veneer of luck, good fortune, or the warding off of illness, disease, danger, and calamity. The sacraments of the Orthodox Church are not magical, nor are they talismans of good fortune. They, instead, connote a vibrant and transformative union and relationship between the One who blesses and the ones who receive the blessing.

How, then, can we fully embrace these provided blessings in the year ahead? Perhaps in the mindfulness that "every good and perfect gift comes down from Thee, the Father of Light" as we pray at the end of every Divine Liturgy. Perhaps by dedicating the New Year, now consecrated by the sacred waters, to the service of God in our homes and weekly priorities. One would not knowingly suffer profane activities, thoughts, and words to sully those interior spaces once sanctified by the holy waters.

Fr. Apostolos' Message continued on page 4

Desert Springs January 2026

Holy Epiphany reminds us that we do not, and as Orthodox Christians must not, live only for ourselves. All that we are and possess belongs to God and we are and can only be stewards of the blessings, material and immaterial, "the Giver" entrusts to us. This sacralization of life at the beginning of each New Year orients the faithful

toward the Heavenly Kingdom as our journey through the New Year commences. May we then calibrate our lives, synchronize our schedules, align our priorities, and consecrate our goals toward the successful completion of this journey!

Let's Meet Our Parishioner Neighbors!

Greg Lizanich

Originally from the Cleveland, Ohio area, Greg studied business management at The Ohio State University. Upon graduation, Greg joined his family who had relocated to Phoenix. He has worked in the insurance industry for more than 27 years handling Workers Compensation litigation

management at Travelers Insurance. He then worked for Hospice of the Valley in office and clinical data management, eventually taking early retirement. However, Greg continues to volunteer with Hospice and several community groups.

In his spare time, Greg enjoys watching sports and is a huge Buckeye fan, of course, and Steelers too! Time permitting, he also enjoys tennis, swimming, skiing, working out and running (with three completed marathons to his credit)! He is also the biggest "I Love Lucy" fan!

Greg was also a member of the Phoenix Suns "Dancing Dads" performing at the Suns games at least once a month for five seasons. They have also taken part in the Dupree Dance Competition, Glendale Glitters and other special and charitable events. A major highlight was in December 2015 when the Dads were contacted by America's Got Talent to audition, where they eventually made it to the second preliminary round!

Greg has been a member of Holy Trinity and the choir for nearly 36 years. He also served on the Parish Council for two consecutive terms as assistant treasurer, and also was a youth advisor, on the Stewardship Committee, dance group, and Festival church tours.

Musically, Greg studied piano privately with Marilyn Wheaton, as well as choral directing under Dr. Tikey Zes and former choir director Kristen Bruskas. He also studied Byzantine chant with Protopsaltis George Duvall. Currently, he is the Assistant Choir Director and serves on the choir board as treasurer.

Most importantly, Greg is both excited and overwhelmed by the significant growth of Holy Trinity in recent years and being part of it. Over the last few years he has been honored and humbled to sponsor several Catechumens into the church: Zane Cups (John), Emanuel Corrales, Gerald Vaughn (Justinian), Jordano Sessions (John) and Kaleb Hammler (Nicholas). Greg feels truly blessed with the love and support these relationships provide with the journey in the Orthodox Faith and highly encourages others to take part in this beautiful ministry.

Let's Meet Our Parishioner Neighbors!

The Leahy Family

We are Patrick and Tia (short for Stamatia), and our hearts could not be more full since the arrival of our beautiful daughter, Maria (now 3), our most precious blessing from God. Maria has filled our lives with joy, love, laughter, and gratitude every single day. She is a sweet, curious, and joyful little girl who lights up every room she enters.

I was born and raised in Montreal, Canada, with both of my parents being Greek Orthodox. My upbringing was shaped by Greek culture, cherished traditions, and the Greek Orthodox faith. I met my wonderful husband, Patrick, while on a business trip to New York. At the time, I was working as an executive in sales for an international swimwear company, and Patrick was working as a steel erector, making a quick one-day stop in New York on his way to Pennsylvania for work. It was truly God's plan for our paths to cross, and from that moment forward we have been inseparable. Patrick was born in Arizona and raised between Oregon and Arizona, developing a love for the outdoors in Oregon and a passion for riding in Arizona. His life has always been grounded in a strong faith in God.

House Blessings

House blessings for the New Year will start after Holy Theophany on **January 6th** by appointment. Please call the office or Fr. Apostolos or Fr. Alexander individually to make an appointment. Deadline to call for a house blessing by **Jan 21**.
Office: 602-264-7863

We were married on August 31, 2019, at my home church, St. Nicholas Greek Orthodox Church, in Laval, Canada, and later moved to Arizona. After moving to Arizona, I found my path in project management, and in time embraced my most meaningful role as a stay-at-home mother. Since Maria's arrival, my heart has been devoted to her, while Patrick continues his work now as a carpenter. Moving so far from my family was difficult, as we have always been very close, and I expressed to Patrick how important it was for me to find a Greek Orthodox church here in Arizona. With his love and support, we found Holy Trinity Greek Orthodox Cathedral, where we were welcomed with warmth and open arms, and immediately felt at home. Since 2021, we have been blessed to worship here and be part of this extraordinary and loving community.

God blessed us with the greatest gift of all, our beloved daughter, Maria. She was baptized back home in Canada at the same church where Patrick and I were married, making it especially meaningful for us. It is fundamental to us that Maria grows up with a strong faith in God, deeply connected to the spiritual life and traditions of the Orthodox Church. We cherish sharing our Greek heritage, language, and traditions with her while also embracing our life here in Arizona. We pray that God continues to guide and protect her throughout her life.

We are very grateful to God for his countless blessings and for the love, support, and friendships we have found within this beautiful community.

Project Mexico Group— June 11-17, 2026

We're excited again to offer a group to go down to Project Mexico to build a house for those in need, stationed out of St. Innocent Orphanage. Please let Fr. Alexander know if you're interested! Open to High School and above who are able to do manual labor.

“To be a welcoming community, sharing Christ’s love through faith and service.”

HAPPY AND BLESSED 2026 TO ALL OF OUR HOLY TRINITY PARISHIONERS!!

What a truly blessed and amazing year 2025 was for Holy Trinity. We saw beautiful growth with dozens of Baptisms and Chrismations and new Stewards who joined our Cathedral family. Our pews are full on Sundays, Coffee Hours are bustling and our ministries are growing. We had a successful festival!

Stewardship 2026 is off to a great start. So far we have more than \$280,000 pledged. So, we are more than half way to our budgeted goal of \$560,000.

We thank every single Steward who generously gave their time, talent and treasure in 2025 and we thank you in advance for becoming a 2026 Steward in good standing. What does it mean to be a “Steward in good standing”? It means you have filled out a 2026 pledge card and made a financial contribution toward that pledge and is necessary in order to vote in a parish assembly, hold a leadership position in a ministry, baptize someone, get married, or even run for the Parish Council.

Tuesday Coffee Group

For those with a flexible schedule:

Join us for coffee and talk. Included within the social are activities related to Philoptochos' **Circle of Angels**, other chapter support, sometimes church office support, and just plain hanging out with friends.

Circle of Angel's member Laurel Charnas Schiller's home church of Holy Trinity in Toledo, Ohio contributed blankets for our baby abundance here at Holy Trinity in Phoenix! Their ministry, Warm Hands to Warm Hearts, included this notice in their bulletin:

The Hellenic Orthodox Echo
Volume 35 January 2026 No. 3

WARM HANDS TO WARM HEARTS
For many years now, by providing the making of and distributing of lap blankets and baby blankets to various Orthodox parishes, we have been able to share the love of Christ with many.

In addition to lap blankets, **our ministry offers baby blankets** to our youngest Holy Trinity precious ones. Our dedicated baby blanket maker has us so well stocked that we were blessed to make a donation to an Orthodox church in Arizona. **After hearing of their need, we offered 17 baby blankets to Holy Trinity Greek Orthodox Cathedral in Phoenix, Arizona.** This is the home church of Laurel and Todd Schiller who also attend our cathedral part time as well. They delivered the blankets with love from us. **What a joy to know that we have shared love and warmth with precious ones across the country who belong to our greater Orthodox church family!**

Philoptochos Coins for Missions

Thank you to our community for the pennies, nickels, dimes, quarters, and bills: we collected **\$155.00** for our continued missions!

Thank you!

St. Nectarios Books & Beyond

Submitted by Rita Papaspyrou
stnectariosphx@gmail.com

The month of January gives us the opportunity to celebrate the Feast of Holy Theophany.

In the East, the Nativity of Christ was celebrated together with Epiphany of January 6th, while in the West, the Nativity was celebrated before Epiphany became known to them. It is important to stress that, contrary to what is written in some places, Theophany is NOT the birth of the Church.

The Church has always existed since the beginning of times. The Church is God and since God has always existed, so has the Church.

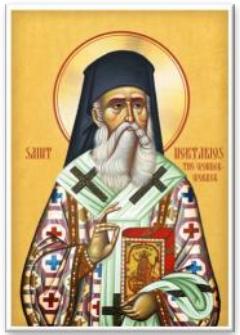

The term Theophany and Epiphany is used interchangeably. Theophany is a Greek word. 'Theophania', (Theos - God; phaneia - manifestation) means in literal translation, "Manifestation of God". The literal meaning of Epiphany (Epi - above; phaneia - manifestation) is "Manifestation from above".

The Orthodox Church has defined the Epiphany of the Holy Trinity as the appearance of God during Christ's baptism in the Jordan River. It is the beginning of Christ's official dedication to His Divine Mission in the presence and manifestation of the Triune God, the Father and the Son and the Holy Spirit.

John the Baptist, the cousin of Jesus and the one chosen by God to proclaim His coming, was preaching in the wilderness and was baptizing all who would respond to his message calling for repentance. As he was doing this, John was directing the people toward the one who would baptize them with the Holy Spirit (Matthew 3:11).

The Scriptures tell us that Jesus came from Galilee to John at the Jordan to be baptized by him. Initially, John would not do this, saying that Jesus should

baptize him. Jesus said to John, "Let it be so now; for it is proper for us in this way to fulfill all righteousness" (3:15). John consented and baptized Jesus.

When Jesus came up from the water, the heavens opened suddenly, and the Holy Spirit descended upon Him. The Bible records that the Spirit descended like a dove and alighted on him. When this happened, a voice came from heaven and said, "This is my Son, the Beloved, with Whom I am well pleased." This was the voice of God the Father.

Christ's baptism in the Jordan was "theophany," a manifestation of God to the world, because it was the beginning of our Lord's public ministry. It was also a "theophany" in that the world was granted a revelation of the Holy Trinity. All three Persons were made manifest together: the Father testified from on high to the divine Sonship of Jesus; the Son received His Father's testimony; and the Spirit was seen in the form of a dove, descending from the Father and resting upon the Son.

Theophany represents our redemption from darkness and illumination by the light of the knowledge of God. This is why it is also referred to as the Feast of Lights, the Lights which illuminates our conscience and our Christian way of life. "I am the Light", Jesus said. The Church celebrates on this day the illumination of the world by the light of Christ.

As Orthodox Christians, let us always walk upright in the Light of Christ!

Icon of the Feast

The Icon of the Feast of Theophany tells the story from the Gospels in images and color. On the left side of the icon we see John the Baptist who is dressed in camel's hair and has the appearance of one who lives in the wilderness. His arms are outstretched, showing an attitude of prayer and

St. Nectarios Books & Beyond

reverence, but also directing others to Christ. With his right hand he is conducting the baptism.

The Heavens open, the voice of the Father is heard, and the Holy Spirit in the form of a dove descends upon Christ.

In the center of the icon is Christ being baptized in the Jordan. He is standing in the water wearing a waistcloth, and with His right hand

He is blessing the waters of the Jordan. Above His head is the Holy Spirit descending as a dove upon Him. At the top of the icon, a semicircle depicts the opening of the Heavens and the voice of the Father.

Angels of the Lord gathered on the shore of the Jordan River give praises to Christ.

An angel of the Lord receives Christ as He comes out of the water.

Christmas Party

In December, we hosted our 3rd annual Christmas party in collaboration with the ASU OCF chapter! We had a wonderful turnout with representation from five parishes. Both the young adult and adult groups were in attendance along with OCF students and children of Living Orthodox families.

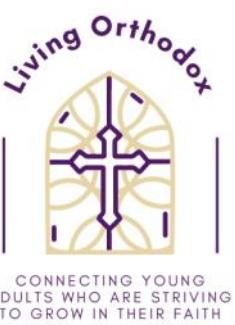

Our service project, in collaboration with FOCUS Phoenix, packed 48 backpacks with a hat/gloves/scarf set, thermal socks, hand cream, lip balm, hand warmers, band-aids, hygiene kits, and a snack. We also packed 96 gift bags for children in the Vista Colina family shelter. Each bag contained a stuffed animal, bubble wand, Christmas-themed stationary, wooden peg toys, candy canes, and other small items. Thanks to Holy Trinity's ministry support, OPA's loan of storage space in their room, and Chris Lopez' coordination of delivering the finished bags, every child at Vista Colina had a Christmas gift this year and numerous people experiencing homelessness received essential winter supplies.

The Christmas party also included a bonfire, a fun white elephant gift exchange, and a delicious potluck dinner! It was a beautiful time of community and a lovely way to wrap up our 2025 events.

Daughters of Penelope Chapter 432

Happy New Year from Helenos Chapter #432 Daughters of Penelope

Located here at Holy Trinity, we meet the 3rd Thursday of the month from September through June.

We are beginning our 2026 membership year and would love to include you as a new member. The Daughters of Penelope (DOP), an affiliate of the American Hellenic Educational Progressive Association (AHEPA), is an International Women's Organization, and the largest of Hellenic descent. It was founded by Alexandra Apostolides on November 16, 1929, in San Francisco, California. The DOP's accomplishments are quite remarkable. It has strengthened the status of women in society, sheltered the elderly and abused, educated the youth, promoted Hellenic heritage, raised funds for the needy, medical research, and much more.

Helenos Chapter of District 20 hold amazing events to raise funds and awareness for their various causes. Our District Project for 2025-2026 is Water by Women, who strive to provide clean water for God's thirsty

children. They believe that every child, everywhere, should be drinking clean water. Learn more at WaterbyWomen.org

Part of your membership will include your children participating in our District 20 AHEPA Scholarship Foundation. The Foundation has been providing our children with educational opportunities for over 60 years. The Foundation provided five (5) Post Graduate Grants and thirty-three (33) Undergraduate Scholarships at the 2025 District Convention in May 2025.
