Message from Father Alexander

Merry Christmas!

My family and I walked into Costco last week (still mid-September) and were greeted with Max’s exclamation, “CHRISTMAS TREE!!! WITH LIGHTS!!!”

Sure enough, here in mid-September we’re selling Christmas items and toys. Now I love Christmas and I love Costco but this was quite a shock! These Christmas items had replaced the Halloween items we saw when we went in early August. I pondered on this as we wandered through the endless aisles and came to a few thoughts.

Yes, clearly Costco is a corporation looking for profit and maximizing said profits through longer opportunities for us to spend our money for Christmas. But what does it say about us as people in our society? It strikes me that we celebrate these passing seasons less and less with traditions and community and more and more with shopping and the spending of money, our passage of time is marked not by Cathedrals of God but by Cathedrals of Commerce.

Instead of coming to church and seeing the icons of the feasts out and the associated hymns and marking our passage of time in this ecclesiastical understanding of time, centered around God, we await the blessed seasons of commerce.

Pumpkin Spice Latte is out! Halloween and lovely dead skeletons should come out! Fall candles! Christmas lights in early November because we can’t wait for that Christmas feeling.

But we then come around to the day itself and it is marked by the consumption of these gifts that will rot away or grow old and die.

Or we can mark our time around the eternal God and the celebrations of His Church. We begin the fast for Christmas on November 15, we celebrate the feasts for a day or so before and continue for a week after praising God. On the day itself we celebrate by receiving the Gift that never dies or fades, that is God Himself in us through His Body and Blood. We have a plethora of amazing saints in this time as well: St. Demetrios, St. Katherine, St. Nicholas, and many, many more!

I get as excited as the rest of us about Christmas lights and holiday seasons (and cooler weather!) but as we enter this time, let’s shift our focus not to the mundane that passes but to God the eternal. I get more excited thinking about the beautiful hymns and service we are about to participate in that grant us that closeness to God Himself and His saints and I stand in awe.

This is the one striking similarity that perhaps we are deadened to as members of this beautiful Cathedral—those patrons of our festival have a more powerful reaction of awe coming into our Cathedral than anyone has seeing Christmas lights and enjoying the holiday season. As we host the thousands of people to our campus this month let’s also refresh our view of life, God’s House, and our holiday spirit. Before you know it Thanksgiving and Christmas will arrive. Don’t simply knock off “feelings and gifts” from your list of to-dos but live the festal life of the Church as it ramps up to the celebration of the Incarnation of our God in our Flesh.
To be a welcoming community sharing Christ’s love through faith and service

Stewardship 2023 Theme: Giving Thanks: Eucharist Stewardship

OUR FESTIVAL - A PERFECT EXAMPLE OF STEWARDSHIP

Joanne Mackos and a dozen other women spending hours, days and weeks chopping, mixing, kneading and baking hundreds of pastries by hand. Steve Apostolidis overseeing the entire kitchen operation with Phil Panagiotoglou, Billy Tavlarides and Pete Choukalas doing prep and cooking. Steve Mastorakos and Warren Schneider working in the auxiliary kitchen. Kalli Schneider ordering the liquor and overseeing the building and set up of the bars, Chris Petroulakis managing the ordering and delivery of all of the food, spices, dry and paper goods. Pete Choukalas also designing and printing the advertisements, banners, signs, fliers and brochures. Niko Panagiotakopoulos organizing the dozens of dancers, instructors, practices, music and costumes. Donna Manelis organizing the volunteers and doing 100 other things behind the scenes. Not to mention Ted Fourlis, Nick Kretsedemas and Angelo Pestrivas overseeing every single detail and booth from parking to permits to the financials and keeping spreadsheets on absolutely everything!

These are just a few of the hard working parishioners that spend countless hours for months in the preparation and execution of our festival. In addition, so many of our parishioners, young and old, work shifts in every booth, invite their friends and neighbors and help make our festival the massive success it is.

Yes, the festival is Holy Trinity’s largest fundraiser. But it is so much more than that! For three days in October, we come together to volunteer our time for the good of the Cathedral. Some work in hot, sunny, dusty booths serving up Gyros, Loukoumades, Calamari, Saganaki, Souvlaki, coffee, beer, wine and Ouzo to nearly 20,000 eager, hungry visitors. And we do it with a warm, welcoming smile, a happy heart and a cheer of OPA!

Honestly, I can’t think of a more beautiful example of stewardship than this!

Bottled Water Drive
Result! Wow!

St. Mary’s
Food Bank

WE TRIPLED OUR
GOAL FOR THE
BOTTLED WATER
DRIVE!!!

WOW! You opened your loving hearts and poured out
generosity on those who thirst! You, our Holy Trinity
parishioners, collectively donated $3,062 to St. Mary’s
Food Bank to purchase bottled water for the homeless.

Our original goal of raising $1,000 was smashed and
we more than tripled it.

Because St. Mary’s has the opportunity to purchase water
at a discounted rate, our $3,062 will purchase 12,248
bottles of water. During this unprecedented heat, St.
Mary’s and all local food banks have been in need of extra
water to help those they serve.

We continue to be humbled by the generosity of our
parishioners. We are truly grateful to everyone who
contributed. Thank you very much for answering the call to
the true meaning of stewardship.

Celebration Committee

On the first Sunday of each month, the Celebration Committee organizes a potluck during coffee hour to celebrate all the special events in parishioners’ lives and birthdays that take place in that month. Please join us every month and bring your favorite food item to share!

During the September Celebration Sunday, we celebrated the 40-day-blessing of Lucas Arger (son of Chris and Jenniey Arger) and all September birthdays! In honor of baby Lucas, the balloon décor was blue, white, with gold accents. The tables were decorated with pastel blue overlays and white ceramic vases filled with fall foliage.

We greatly appreciate those who have shared their milestone events with our Holy Trinity family. If you or someone you know from the parish is celebrating a baby, a birthday, an anniversary milestone, or any other special event, please let the Church Office or the parish Celebration Committee know so that we can celebrate as a community! You can send an email with suggestions and details to: htcphxevents@gmail.com.

If you are interested in volunteering or learning more, please email htcphxevents@gmail.com and/or talk to Terri Alexon or Mary Pardhe!

Communal Cooking Event

In September, the Communal Cooking crew led by Phillip Panagiotoglou gathered to cook and serve a delicious meal of spaghetti with meatballs, garlic bread, Greek salad, and fresh watermelon. We also had a cake to celebrate all the birthdays in September! If you are interested in helping out or joining us for future cooking events, please email htcphxevents@gmail.com. In addition, please feel free to bring a dish to share with the community on the first Sunday of every month.

The Holy Great Martyr Demetrius the Myrrh-streamer
On October 26, we have the opportunity to commemorate the Holy Great Martyr Demetrius the Myrrh-streamer.

Saint Demetrius was a Thessalonian, a most pious son of pious and noble parents, and a teacher of the Faith of Christ. When Maximian first came to Thessalonica in 290, he raised the Saint to the rank of Duke of Thessaly. But when it was discovered that the Saint was a Christian, he was arrested and kept bound in a bath-house. While the games were under way in the city, Maximian was a spectator there. A certain friend of his, a barbarian who was a notable wrestler, Lyaeus by name, waxing haughty because of the height and strength of his body, boasted in the stadium and challenged the citizens to a contest with him. All that fought with him were defeated. Seeing this, a certain youth named Nestor, acquaintance of Demetrius', came to the Saint in the bath-house and asked his blessing to fight Lyaeus single-handed. Receiving this blessing and sealing himself with the sign of the precious Cross, he presented himself in the stadium, and said, "O God of Demetrius, help me!" and straightway he engaged Lyaeus in combat and smote him with a mortal blow to the heart, leaving the former boaster lifeless upon the earth. Maximian was sorely grieved over this, and when he learned who was the cause of this defeat, he commanded straightway and Demetrius was pierced with lances while he was yet in the bath-house, As for Nestor, Maximian commanded that he be slain with his own sword.

Fall Classes

Fr. Apostolos offers a two semester catechism on The Kingdom of God and How to Attain It. Classes will be held in person and via Zoom. Please contact the office or Fr. Apostolos to request registration details.

Fr. Alexander began his Bible Study on 1 Corinthians on Wednesday, August 23, 2023 after 6:30pm Paraklesis in the Conference Room and on Zoom. Class will be offered every Wednesday at that time.
Nowadays, we have instant access to a myriad of music recorded for our convenience where we can listen in private. We can choose and consume music according to our individual taste. In the Orthodox tradition, there is also an edifying selection of recordings from which to choose.

But the act of coming together to sing—using our God-given voices next to another believer in Christ—is different. Did you know that the act of singing is not an option for Christians? It is a command! “Let the work of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God.” Colossians 3:16.

Besides worship, singing is warfare against the forces of evil that want to destroy the lives of Christians. A singing heart is thinking more about Godly things and less about sin or other worldly distractions. Also, singing can strengthen a Christian during times of trial. For example, what did Apostle Paul and Silas do while being unjustly imprisoned for the sake of the Gospel? They sang! (Acts 16:2)

Two Voices Expand the Music Ministry

So, what is the mission of the Holy Trinity Cathedral Choir? We are a dedicated group of singers who inspire others to worship and raise up their voices to glorify God! In the HT Heavens, also known as the choir loft, we are very blessed to have TWO new Alto voices, Crisanne Bansner and Athina Yadush. Both ladies enjoy singing so much that they are willing to travel great distances every week to rehearse and worship with us! And both women have been math teachers who just found out they lived within thirty miles of each other while living in the same state. The Lord does work in mysterious ways!

Crisanne Bansner

Crisanne and her husband, Scott, recently retired to Arizona after living in Reading, Pennsylvania before traveling more than 2,300 miles to their dream home in Robson Ranch near Casa Grande.

Crisanne grew up, lived and worked all within 10 miles of her childhood home. She taught mathematics for more than 30 years at a junior-senior high school where she served as department chair and enjoyed working at many sporting events. Crisanne is an avid reader and has volunteered at the community library.

Crisanne and Scott are now exploring the beautiful desert scenery by hiking with their Portuguese Water Dogs and trying (so far without much success, she says) to learn to play pickleball. Crisanne also enjoys creative arts; her current hobbies include working with gourds and fused glass.

Choir “Notes” continued on page 28
As a lifelong member of Sts. Constantine and Helen Church in Reading, Pennsylvania, Crisanne learned to love and serve the church community from her parents. She began her church service in junior choir and then joined the senior choir and became an accompanist while in high school. She was a member of St. Xenia Philoptochos, serving on the Operation Classroom and the audit committees. Crisanne enjoyed helping with preparation for Philoptochos bake sales (as much as her limited baking skills allowed) and was the cashier for the pastry room at the annual food bazaar.

After attending her first Divine Liturgy at Holy Trinity Greek Orthodox Cathedral in Phoenix, Crisanne knew that she had found her new church home: "I am so grateful for the warm welcome and encouragement I have received and I look forward to continuing my involvement with the Cathedral Choir and St Katherine Philoptochos," she said.

Athina and her family—husband, three sons, and a daughter—are formerly from Bethlehem, Pennsylvania, and are now living in Buckeye. Athina (yes, it’s spelled differently) has been a mathematics teacher for 13 years. Recently, she accepted a position as a Math Interventionist at the Academy of Math and Science in Avondale.

Music has played a large part of Athina’s life. She learned flute and violin in elementary school, piccolo in high school as well as tuba in college. Athina gained her vocal experience while singing in the Choir at St. Nicholas Greek Orthodox Cathedral.

When she is not singing, some of Athina’s hobbies include dancing, Zumba, reading and hiking. Since moving to Arizona, she has had the pleasure of exploring the picturesque trails found in the Valley of the Sun during the cooler months. But most days, she can be found playing with her two dogs and two cats.

Athina also appreciates the warm welcome she has received at Holy Trinity Greek Orthodox Cathedral. She hopes to meet more of the church community in the upcoming weeks while preparing for the food festival. “I’m willing to lend a helping hand wherever it’s needed,” she said.

Join the Music Ministry

If you feel inspired to try out your voice in a dynamic choral setting for the glory of God, please do! Any type of musical experience is preferred but not required. Rehearsals are held up in the loft on most Wednesdays following services until about 8:30 pm. Contact Terri by email, terrialexon@gmail.com or by text/telephone, 480-233-2416.
Basketball/Pickleball Court

BASKETBALL/PICKLEBALL ANYONE?

The newly resurfaced basketball court is complete and ready for some action! It has a brand new commercial grade surface and now includes lines for both basketball and pickleball as well as a pickleball net.

Thank you to Tracy Poulos for this incredible donation in memory of her late husband James Poulos. James was the Nouno of Alexandra Sampson so this is a perfect addition to the Alexandra Sampson Memorial Project which now boasts a discussion and fire pit, picnic tables, a grill and now, the new court. What an amazing blessing this is for our Cathedral!

This new space will be primarily used by our youth but all our ministries are welcome to use it as well. We look forward to some fun times had by all. Let the games begin!
Liturgical Services will continue to be live streamed by Father Apostolos and Father Alexander.

All services can now be found on the Home Page of the Cathedral’s website www.holytrinityphx.org, in addition to the continued postings on our Facebook page.

Thank you to Tom Giatron and Joshua Pardhe for their above-and-beyond efforts to bring clear and timely video to all!

Endowment Fund

**THE HOLY TRINITY CATHEDRAL ENDOWMENT FUND**

The Holy Trinity Endowment Fund was established in 1992 with an initial deposit of $2,000. The goal was to build the Endowment Fund whereby the interest and appreciation would one day provide sufficient income so Holy Trinity would no longer be **totally dependent** on an annual festival to supplement stewardship income.

The Endowment Fund is obligated to preserve the donor's contributions such that the principal will remain **inviolate** and be held in perpetuity by the Church. The funds are prudently managed by the investment committee, which reports to the Parish Council. The investment committee only approves withdrawals from the earnings and appreciation, over and above the donor's contributions, and are used only to benefit Holy Trinity and its ministries.

Over the course of the past twenty-nine years the committee has held steadfast to this mission, and as a result, generous donors from our Church, desiring to leave a legacy **in perpetuity** for their family, have made contributions totaling **$654,340.00**.

This is your opportunity to put your lifetime thumbprint in the history of Holy Trinity Cathedral.

We have been blessed by the generosity and foresight of the individuals and families listed on the next page. We benefit today from their kindness and vision. If your circumstances allow you to give a gift above and beyond your annual stewardship commitment, then please take this occasion to join the others in creating a legacy by pledging your gift to Holy Trinity Cathedral’s perpetual Endowment Fund. Gifts of $10,000 or more will be separately listed along with others who have reached that level.

Your gift, no matter the amount, will be combined into the general endowment fund, and will be greatly appreciated.

Living Orthodox Young Adult Ministry

Living Orthodox is a national, pan-Orthodox ministry that is building a community of young adults (18-35) who are striving to grow in and connect with their faith! The focus of this ministry is to highlight ways that we, as young adults, personally grow in our Orthodox faith (ex. attending services, reading books, listening to podcasts, watching spiritual videos, etc.) and to share ideas on how to increase our commitment to live an Orthodox life. Join us on for virtual meetings every other week and in-person for our monthly potluck discussions!

Potluck and Discussions

In September, we had a special potluck and workshop on the “History and Basic Techniques of Byzantine Chant”. Over 20 young adults attended the event. Joshua Pardhe (Holy Trinity) gave a presentation on the development of Byzantine chant and notation through the centuries. Following the presentation, Anastázius Kaejatidárján (Assumption) led the group through the Apolytikions for the Holy Trinity, the Feast of the Dormition, and St. George. All the members had an opportunity to follow along with the Byzantine notation of the hymns. The video of the meeting will be uploaded to our Living Orthodox YouTube channel (https://bit.ly/3O2rouI).

On October 28-29, the Living Orthodox group will be hosting a young adult retreat on the theme – Thanksgiving: Living a Eucharistic Life. All young adults (college - 30s) are invited for a weekend of spiritual growth, community, and fun! The retreat will feature a keynote address by Fr. Timothy Pavlatos, speaker presentations, hands-on liturgical workshops, iconography and music sessions, and fun off-campus social events. Please register your interest at https://tinyurl.com/LO-events to be informed about hotel blocks and ticket sales! Please invite your friends to this special retreat!

Have you noticed new faces? We’ve had many visitors stop by lately. No matter how they come to us, let’s make sure we say Hello!

“Welcome! I don’t believe we’ve met yet. My name is (your name)” is a great start.
Offer to walk with them to the Coffee Social. A personal connection goes far!

House Meetings
If you are interested in heading up some outings or hosting your child's age group at your house, or simply learning more about OPA, please email Caroline Economopoulos here.

Other Opportunities
Reach out to Fr. Alexander here if you'd like to learn how your children can be involved such as
☑ serving as an Altar Boy
☑ singing in the Choir
☑ learning Byzantine Chant
☑ joining our Greek School
☑ or any other ministry of interest.

Of course you and your children are welcome to join for both Bible Study and Catechism Class throughout the year. More information will be forthcoming on this soon as well.

Our children have been entrusted to us by God to return them to Him as much like Him as they can be. Whether your child will prioritize God and the Church when they grow up is dependent on you prioritizing it when they are home with you. If other events and activities take precedent now, they will take precedent later.

We are all on a journey to Christ together as a Cathedral family, join us this year as we march forward towards Him.
