

Innovative Library Interiors proudly offers a diverse selection of products that meet any interior style. From traditional to modern, ILI has the product selection to meet your design needs. At Innovative Library Interiors our job is to make your experience easy. We are a full-service company offering; consultation, interior design solutions, space planning, product selection/specifications, project management, delivery, and installation. ILI is your single source supplier for the highest quality, most creative library products. Our Mission is to provide every client with a beautiful, durable, functional, and accessible library interior. To meet our goal, we only represent manufactures that are unsurpassed in their creativity and quality craftsmanship. Along with Innovative Library Interiors' expertise and services you can be confident in your purchase. Our clients include Universities, Colleges, Community Colleges, Public Libraries, and Public or Private K-12 schools.
