Who We Are

We are a dedicated group of artists, woodworkers and engineers who are passionate about making furniture that is strong in design and craft. Furniture that will stand the test of time both visually and in quality. From backgrounds in fine art painting to theater design and illustration, our team is an eclectic mix of talent and passion. We are loyal to the basic tenets of good design, which begins when pencil meets paper in a sketchbook. We value quality craftsmanship and innovation. Our factory, located in Grand Rapids, where all of our furniture is proudly made, has over a century of combined experience, many of our team there are second and third generation woodworkers. We care deeply about providing well-built, well-engineered products that inspire and delight and are proud members of USGB and BIFMA.

Eisenhower

Beautifully turned and tapered solid wood legs gives striking visual appeal to the Eisenhower Lounge and Occasional Table Collection. The scale of the Eisenhower Lounge is just right for a number of applications. Its supportive seat provides the utmost comfort. Tables are available in maple or walnut veneer tops or laminate. A solid wood reverse chamfer edge gives this table a gorgeous perimeter. Other edge styles include maple or plywood edgeband.

Vancouver Collection

Vancouver 1

The Vancouver 1 Lounge Collection is modern, featuring clean lines and a boxy shape. Offered with a squared metal or wood block leg that may be finished in a wide palette of colors. Options include a fully upholstered version as well as a wood paneled style appointed with plain finish or specified with a decorative wood pattern as pictured below. Refer to our Design Portfolio for pattern options. Vancouver benches and occasional tables are also part of this collection. Please visit our website for details.

Vancouver 2

Pictured: Vancouver 2 Lounge Chair with tapered wood leg, Whistler Ottoman, Eisenhower Table and Ode Creative Screen - Dots.

The Vancouver 2 Lounge Collection is a visually lighter, sparer version of the Vancouver 1. The arms of the Vancouver 2 are lower, and it is offered with squared metal legs for a modern, contemporary look, or a gracefully turned wood leg for a beautiful mid-century seating option. The Vancouver 2 Lounge Collection also includes benches in two and three seater versions. For the coordinating tables to this Collection please refer to page 38.

Algonquin

The Algonquin Lounge Collection is classic and speaks wood. Crafted in Michigan this collection is comprised of chair, settee, sofa and occasional tables. Side panels can be plain, slatted or adorned with selections from our Design Portfolio. Custom designs are also an option. The Algonquin Collection spans study tables as well. A perfect solution for libraries, lobbies and boutique hotels.

Lake + Puddles

Pictured with Whiteboard Table and Ode Creative Screen - Vera

Lake + Puddles

Inspired by the fluid shapes of Michigan's many beautiful lakes, this eye-catching seating solution is breezy and confidently hip. Contemporary in appearance and organic in form, the Lake Lounge reflects the contours and shapes created by the natural ebb and flow of lakeshore tides. Like the lakes that inspire them, these lounges are bold and striking, providing a comfortable but firm seating option for interiors such as hotel lobbies, public spaces or the intimate nook. Flexible and amorphous, the Lake Lounge can be paired with the Lake Bench or Puddle Stools to create a beautifully dynamic and versatile seating environment. Laptop and occasional tables are also part of this collection, please refer to page 39 for complete offerings.

Whistler Modular

Whistler Lounge Arm Chair

Casual and versatile, the Whistler Collection has a lot to offer. Six leg styles, wedges, settees, sofas, benches and ottomans make it an easy spec for large, open areas to smaller, intimate spaces. Arms may be added to lounge chair, settee or sofa models. Occasional Tables and tablet arms are part of this modular collection. Integrate power in the seating or tables for additional functionality.

Couture

the quiet allure of mona, napoleon, sasha,
alphonso and adelle.....

Couture

THE COUTURE COLLECTION is a line of arresting chair shapes inspired by hats.

The Napoleon, Alphonso, Adelle, Mona and Sasha chairs comprise TMC's boldly stylish Couture Collection. The Napoleon's outline clearly bespeaks the general—certainly his hat! The more modest Alphonso appears to wear a simple cap and turned-up collar. The Adelle recalls a stylish woman of the 1930's, decked out in elegant hat and coat. The Sasha chair, with her smooth, rounded back with a small scoop in the top, is the epitome of simple elegance—and she makes it look effortless. Equally at ease at a small bistro or a large, upscale restaurant. The lines of the Mona chair are strong and pure, making a dramatic, cut-and-dash impact. This lean and compact shield-like form projects a sense of power, resilience, and grace. All profiles are available with an upholstered seat pad.

Skye 2 Arm Chair

W 21" D 21" H 33½" SH 17¾" AH 25¾"

Skye 2

Crafted in Michigan, the Skye 2 Arm Chair embodies a timeless elegance with solid wood base and joinery construction, topped by an upholstered or wood seat. Numerous finishing options are available including design patterns for the back. Pictured in a light finish gives the Skye 2 Chair a more contemporary look.

EnShell

Combining the warmth and beauty of wood with Forbo Marmoleum on the shell's face, the EnShell Chair makes a cool and stylishly ecological statement. It is also a healthy, hygienic and environmentally friendly choice for healthcare, libraries, education and restaurant applications that call for a high-use, durable alternative to plastic chairs. Bases are available in black, chrome or other powdercoat options (see page 108). Stacks up to 10 high. For Forbo Marmoleum selections, please see Price List. An optional handhold cutout may be specified. Bar and Counter heights are also available (see page 80).

EnShell Chair Variations W 19½" D 21" H 33½" SH 18"

Flick

The lines of the Flick chair are appealingly modern and simple. The steel rod sled base supports a molded plywood shell. The base finish may be specified in black, white, chrome, or selected from any of TMC's powdercoat colors. Stackable, the Flick is ideal for use in cafeterias, schools, universities, libraries and offices. An upholstered seat pad is available on all Flick Chairs, including the bar and counter stools (see page 78).

ImPrinted Chairs

ImPrinted chairs combine the beauty of wood with surface design that creates a dynamic interplay of line, color and form. Graphics are printed on the raw wood and then top coated. Saturated color and beautiful wood grain offer up a fresh and eye-catching approach to seating. Above are standard TMC images, however custom is also available. A perfect application for corporate or hospitality interiors.

Pictured above California #7 on a Flick Bar Chair.

At right: William Morris on a Kestrel Chair.

Put some personality on it!

The power of visual branding. Imprinted chairs provide an opportunity to express your individual unique brand in a captivating way. Wrap the graphic on the curved plywood in rich coloration, whether it be an illustration or photograph. For custom imagery, please refer to our ImPrinted Guide or Price List.

Tables

Tables from Collection I pair up nicely with our standard seating lines.

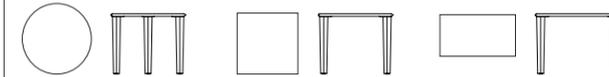

Plover Table

Plover Tables (pictured above) are very attractive and known for their iconic 1" thick curved plywood leg. A wide range of finish colors makes specifying this table a snap. Tops are available in laminate or veneer. Please refer to page 108 for edge treatment options. See our Price List for other shape offerings.

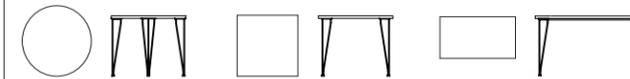

Kestrel Table

The Kestrel Table is a classic design with a North American solid maple leg that is squared and tapered. Tops may be specified in laminate or maple veneer. Other wood species such as oak, American cherry and walnut are available upon request. Please refer to page 108 for edge treatment options. See our Price List for other shape and size offerings.

Flick Table

The Flick Table is sleek and modern. The three steel rods in each leg create visual interest and structure. A wide variety of powdercoat finishes are available. Top surfaces are offered in laminate or maple veneer. Please refer to page 108 for edge treatment options. See our Price List for other shape and size offerings.

Eisenhower Table

The Eisenhower Table has beautiful North American solid maple legs, turned and tapered. Many wood finish options are available to create a warm wood tone or pop of color. Top surfaces are offered in laminate or maple veneer. Please refer to page 108 for edge treatment options. See our Price List for other shape and size offerings.

YUMA Table

The YUMA table's square steel tube leg is clean and simple. Pair it up with a variety of chair styles. Many powdercoat finish options are available. Top surfaces are offered in laminate or maple veneer. Please refer to page 108 for edge treatment options. See our Price List for other shape and size offerings.

Mobile Tables

Caspian 1 + Caspian 2

Caspian 1 + 2 Tables are perfect for conferences, meetings and other activities. Table top easily flips to vertical position for nesting storage. Heavy-duty locking 3" diameter casters provide stability and mobility. The Caspian 1 Table series has tubular steel legs, while the Caspian 2 has a refined angular metal leg. Both come in a metallic silver finish. Optional modesty panels (pictured below) may also be specified in wood or laminate. Power/Data available.

Caspian 1 Table

Caspian 2 Table

FINN Table with casters

The FINN Table offers a stylish and multi-functional mobile table option for workspaces. Its 2" or 3" diameter legs, with or without casters, and an optional wire access leg, are available in sleek aluminium or powdercoat finishes. The FINN comes in round, square or rectangle tops in laminate or wood veneer. Edge styles include laminate self edge, plywood or maple edgeband or translucent reverse bevel. Optional power/data available.

FINN Table 2" leg

FINN Table 3" leg

Metal Utility

Table Collection 3 is a line of tables that provide a fast and easy solution to a number of applications. T-Base, X-Base or Barcelona are offered in a variety of sizes and colors. Bar heights are available for the X-Base and Barcelona styles.

Pictured: X-Base Tables, T-Base Tables, Flick Square Chair with upholstered seat pad and Whistler with privacy panels.

Barcelona Tables

Barcelona Tables combine a sleek pedestal base with a beautiful maple veneer or laminate table surface. Style with a variety of finishes and wood edges (see page 108 for edge details). Access power may also be added. Bar height option is also available.

Barcelona Table

X-Base Tables

X-Base Tables offer clean and simple support with a minimal profile. May be specified with a number of powdercoat options as well as chrome. Tops are available in laminate or wood veneer. Refer to page 108 for edge details.

X-Base Table

T-Base Tables

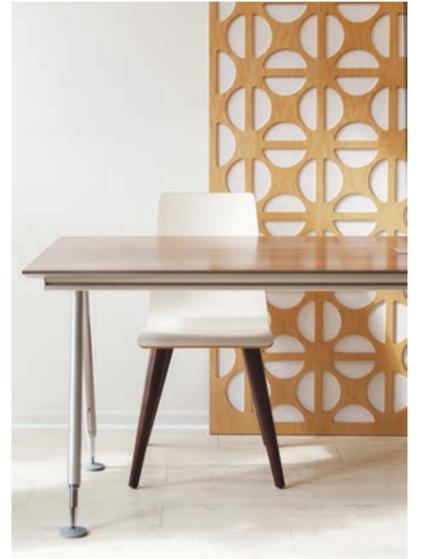

T-Base Tables are perfect for meetings or dining. May be specified with a number of powdercoat options as well as chrome. Please refer to page 108 for edge details.

T-Base Table

Terraine Table

An elegant sweep for multiple users

Terraine Table

Available in multiple configurations with components for power, information technology and storage. The Terraine allows for constant flexibility and thoughtful functionality.

Uninterrupted workspace

The Terraine offers a modern work space for collaborative or independent work.

Top surface options include wood or laminate.

A collaborative open workspace design allows up to a 96" uninterrupted span that does not require intermediate legs.

Thin, sleek design

A continuous beam-and-rail chassis supports an ultra-thin, ¾" beautifully crafted work surface.

Solid wood edge with top or bottom bevel or a translucent tapered edge option gives the Terraine Table a sophisticated look.

Terraine Table

The beam system is strong and durable; it allows legs to be easily positioned and repositioned inch-by-inch for your ever-changing needs.

Configurations

Terraine Table - single sided

Terraine Table - double sided

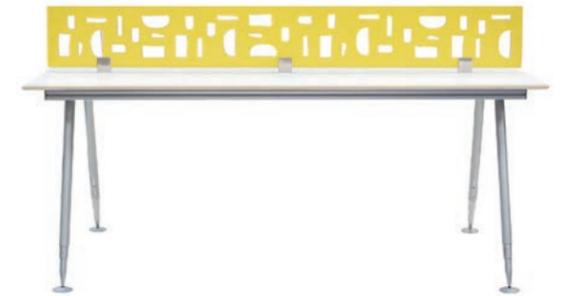

Lunar Straight Leg and Lunar Angled Leg options

One hex wrench tool gives you the ability to easily assemble and reassemble the product.

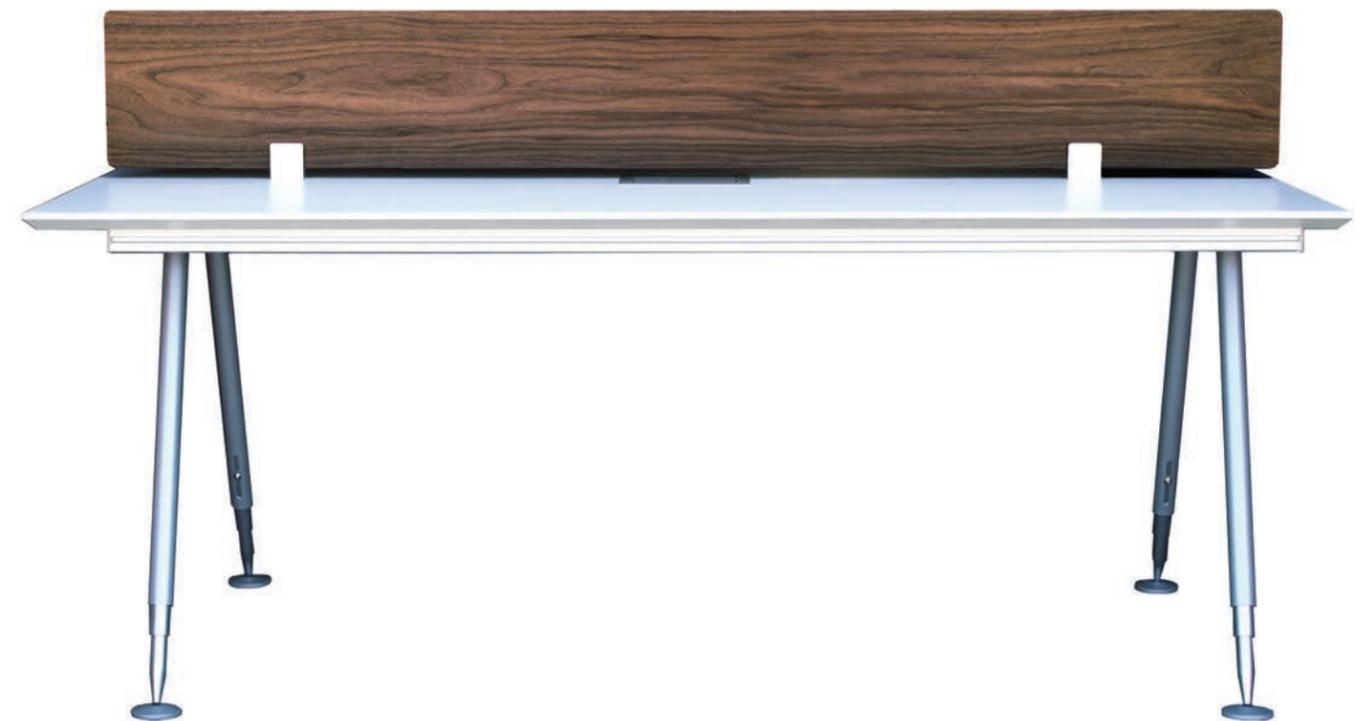

Leg height adjustment

The Terraine Table height can be adjusted up to 2 inches higher or incrementally to accommodate uneven floor surfaces.

Divider panel option with metal clamps

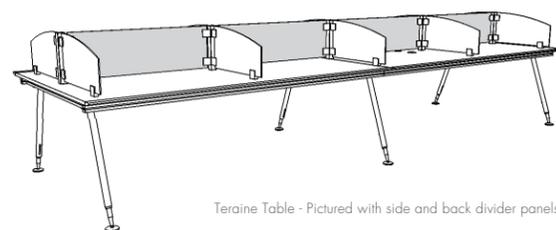

A few options are available for the divider panels. Pictured above shows a laminate divider with a perforated pattern and stainless steel clamps. Other divider panel material options include wood or acrylic.

Terraine Table with custom Silestone top. Clean and seamless.

The Terraine can be specified easily. Pick from different configurations, leg styles and accessories to design the perfect Terraine for your needs. Pictured at right uses squared metal post accents creating a visual tie-in to the legs. The Terraine can be specified with a translucent tapered edge or solid wood edge with top or bottom bevel. Top surfaces may be specified in laminate, maple or walnut veneer.

Terraine Table - Pictured with side and back divider panels.

At our core lies an ardent fascination with all things natural.
As a result, nature inspires our work and replenishes us everyday.

STANDARD LAMINATE (SL)

TMC Furniture has standard laminate offerings from Arborite, Wilsonart, Pionite, Formica, and Nevamar. If specifying a standard laminate, use SL. If a non-standard laminate is selected from a company on TMC's standard list, it is considered custom.

MARMOLEUM

Standard marmoleum from FORBO is available. Please consult customer service for standard options and pricing.

Most Popular Patterns - Please see our Design Portfolio for the complete list of offerings.
