120 YEARS OF HUNTINGTON PARK

A century and two decades of Huntington Park cannot be summarized by a date alone. Its story lives in the generations who built homes, opened businesses, served neighbors, created organizations, raised families, and invested in the community.

The 120th Anniversary Gala celebrates Huntington Park's extraordinary journey while looking ahead to a future filled with opportunity. It is a moment to recognize the people, businesses, organizations, and community leaders whose contributions have helped make the City a remarkable place to live, work, and invest.

This milestone is both a reflection and a promise: to honor what came before us, celebrate who we are today, and continue building a stronger Huntington Park for the generations to come.
