Friends of the Library Company of Burlington
23 West Union Street
Burlington, NJ 08016

Dear Prospective Sponsor,

This letter is on behalf of The Friends of the Library of Burlington Inc, a 501(c)(3) non-profit charitable corporation. Our mission is to fundraise in support of the Library Company of Burlington, its programming and its services to the community. The Library Company of Burlington is a free, full-service library that participates in the overall Burlington County Library System. Our library serves the residents of both the City and Township of Burlington and has done so for 266 years since chartered by His Royal Majesty King George II in 1758. The Library Company of Burlington is the oldest library in continuous operation in New Jersey and is an integral part of the historic district of the City of Burlington.

On Saturday, November 9, 2024 from 7 p.m. to 10 p.m., The Friends of the Library Company of Burlington will be hosting our annual Wine and Cheese Party. This event not only helps raise funds for library programming and building restoration, but also helps to raise awareness of the rich history the library hopes to preserve.

We are seeking your assistance for our annual Wine and Cheese Party. Each year, this event would not be possible without the support of local businesses like you. We respectfully request your consideration for a donation. With your help, we can continue to preserve the historical local, state, and national gem known as The Library Company of Burlington.

Thank you for your attention and consideration!

Sincerely,

Board Members of The Friends of the Library Company of Burlington
