**Profiles In Mental Health Courage** a novel by Patrick J Kennedy. In this book, you'll meet people of all ages, backgrounds, and futures, across politics and government, Hollywood and the arts, tech and business, sports and science—some recovering, some relapsing, some just barely holding on, but all sharing experiences and insights we need to better understand. You'll also meet those trying to help them through—parents, siblings, spouses, therapists, bosses, doctors, and friends who create the extended families needed to support care and wellness.

**Never Leave The Dogs Behind : A Memoir** a novel by Brianna Madia. In the wake of a painful, public divorce and the ensuing fallout, Brianna moves from a pared-down van into a pared-down trailer. She reckons with her decision to be alone in the desert, living on a nine-acre plot of undeveloped land on the dusty outskirts of a small town in Utah, accompanied only by her four precious dogs: Bucket, Dagwood, Birdie, and Banjo. As she grapples with the anger, despair, and delicious freedom that comes from being wholly on her own, Brianna wonders where, exactly, the road less traveled has led her.
