

Sharon's Sensational Stories November Edition

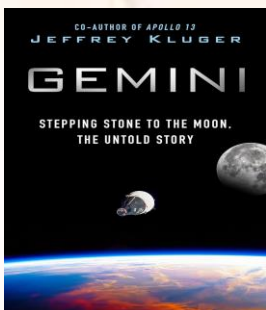

Coming To The Library Company Of Burlington In November

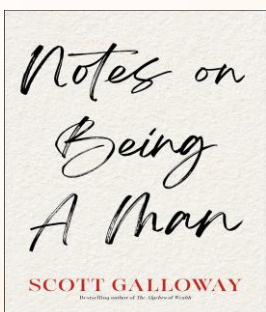

Born and raised in Port Talbot-a small Welsh steelworks town-amid war and depression, Sir Anthony Hopkins grew up around men who were tough. A struggling student In school, he was deemed by his parents as a failure with no future ahead of him. But watching Hamlet sparked a passion for acting that would lead him on a path that no one could have predicted.

Heart Life Music is a love letter to the journey. All the places I've gone and how we got there. We've had a lot fun, a bunch of challenges, a few moments of wondering "what the hell?" and more love than any artist deserves. For anyone who's found a piece of yourself in any of my songs, this is for you.

From bestselling author of Apollo 13 comes the thrilling untold story of the pioneering Gemini program that was instrumental in getting Americans on the moon. Without Gemini, there would be no Apollo. Finally, Gemini's story will be told, and finally, we'll learn the truth of how we landed on the moon.

Boys and men are in crisis. Rarely has a cohort fallen further and faster than young men living in Western democracies. Boys are less likely to graduate from High School or College than girls. One in seven men reports to having no friends, and men account for three of four deaths from despair in America.
