### Highlighting New Books Exclusive to LCOB!

Meet the bold, the brave, and the brilliant. Journey with over 100 heroes from cultures around the world in this striking book of authentic artwork and terrific tales.

Zed Moonstein is terrible at marking friends. When middle school separates him from his one and only best friend, he decides to make an AI friend instead. Nothing could go wrong, right?

Diego Fuego is a dragon! Even though the rest of the dragons can powerfully roar fire, Diego's allergies lead to sneezes...and those sneezes produce ice flurries instead of flames! When a fire grows out of control, Diego soon finds that this weakness can actually be his superpower.

Full of chills and twists, a twelve-year-old boy is thrilled that he'll get to play endless games at his family's arcade, but soon realizes he's in the fight of his life when he's forced to save himself and his possessed Uncle from a sinister video game.
