Disney World, Universal & Orlando is a groundbreaking Orlando guide, named Guide Book of the Year by the Society of American Travel Writers. Author Jason Cochran started going to Orlando as a child in the early 1970s and he keeps you on top of the newest developments in this ever-shifting tourist scene. He wants to help you master the parks with a minimum of anxiety and expense. In addition to our Disney travel guide we have many other travel guides. For example, Scotland, Hawaii, USA National Parks, Open Road and much, much more.

Death by Demo by Callie Carpenter. Jaime and Henry were the perfect couple with the perfect life; together, they ran one of the most successful construction and interior design companies in all of Charlotte, North Carolina. But when Jaime catches her charismatic husband in an affair, she realizes her husband is not the man she thought she married. The divorce is equally gutting—due to an ironclad prenuptial agreement, Jaime receives only one thing: a historical house in disrepair. Knowing that any renovation she attempts will be tedious and costly, Jaime starts to believe that things can't get much worse—until she finds a dead body in the house..

The Jolliest Bunch : Unhinged Holiday Stories by Danny Pellegrino. For many families, the holiday season is—quite frankly—unhinged. Whether that involves inappropriately improvised monologues at the children's Christmas pageant, gifts that land someone in the emergency room, or just sitting through the emotional rollercoaster of a Hallmark movie marathon, the holidays are a chaotic and magical time. And nobody knows this better than Danny Pellegrino.
